Watch for the Coffee Wolf

Beginning Wednesday, Westside staff members may opt for a workday caffeine fix from the Westside Coffee Wolf! Special Education students in Ms. McClintock's Structured Learning Center (SLC) program will launch their new roving coffee cart business by offering free coffee for the first week. Once they perfect their skills as Wolf baristas, donations of \$1-2 per cup will be appreciated.

All aspects of the business will be run by the students, including keeping up with inventory, processing online orders, and preparing and delivering coffee. Proceeds go towards funding and supplying the coffee cart.

The goal of the Westside Coffee Wolf is to develop students' vocational and social skills. Similar Special Ed coffee cart businesses have become popular in schools around the country and give students an opportunity to learn new skills in a familiar environment.

T-PRO: Break a Leg!

Westside's Theatre Production (T-Pro) students take the stage tomorrow at Chavez High School at 11:30 AM in the first round of the UIL One Act Play Contest. For the competition, our T-Pro ensemble is performing *Twelve Dreams*, a play by James Lapine. The play is set in the 1930s and tells the story of a young girl who gifts her father, a psychiatrist, with a booklet describing her dreams. **Break a leg, T-Pro Wolves!**

JROTC Passes Inspection With Flying Colors

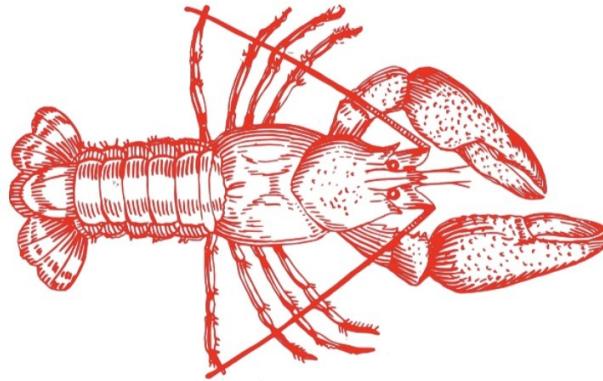

Congratulations to the Westside JROTC Program for receiving a 99% on their accreditation inspection last week. Our Wolves received the highest score in the District out of all of HISD's seventeen JROTC high school programs. Our cadets earned the designation of Honor Unit with Distinction (HUD), represented by a Gold Star on their uniforms.

Westside's program is recognized as being in the top 10% of all JROTC programs in the nation.
