JROTC Marches in Veterans Day Parade

Westside's JROTC Wolfpack had the honor of marching in Houston's Veterans Day Parade on Sunday, November 11. The parade was part of the city's Veterans Day Celebration held in downtown Houston. Despite the cold temperatures and a little rain, the Wolfpack represented Army JROTC and Westside High School well. Thank you to the Wolfpack for honoring our Veterans!

Students Conduct Cultural Landscape Analysis

By Ms. Shelby Steward

Ms. Shelby Steward's and Ms. Elena Dilorio's AP Human Geography classes participated in a cultural landscape analysis of Third Ward. Students took field notes making observations of the landscape to explain how culture is infused in the area. They learned about gentrification, food deserts, and the history of the land and its importance to African Americans. Students interviewed residents and walked throughout the art installations within shotgun homes. The shotgun homes focused on social justice issues that affect the area. They will end up creating a visual history of the area and deliver it to Project Row House as they celebrate their 25th Anniversary.
