Invitation to Parents for November 5th

Guest Speaker, Principal Reception, & PTO Meeting

Parents, please save the date! You are invited to a special evening of activities on November 5th in the Westside Learning Commons (Library).

Beginning at 6:00 PM, Westside High School will host a guest speaker, Mr. Roberto Zamora, from HISD's Department of Family and Community Engagement. Mr. Zamora will present "A Parent's Lens: Parent Teacher Conferences". Participants will learn to maximize the results of parent-teacher conferences, and the presentation will include a question and answer session.

At 7:00 PM, the PTO will honor Principal Peggi Stewart for National Principals Month with a short reception at the beginning of the PTO Meeting. Refreshments will be served. The monthly meeting will continue with a wrap-up on our fabulous Homecoming Week as well as a Principal's report.

Grab a friend or two and join us for this three-in-one combo event for Westside parents. It is a great opportunity to enrich your knowledge, socialize with the Principal and other parents, and get more involved with the PTO!

Hope to see you on November 5th in the Learning Commons: 6 PM for the Family and Community Engagement presentation, 7 PM for the Principal Reception and PTO Meeting.

Kayaking Field Trip

By Mrs. Klein

Environmental Science and Ecology club Wolves spent the day exploring Galveston Bay by Kayak last week! We paddled in the Bay, ate a picnic lunch and used water color painting to look closely at the estuary wetlands. Students enjoyed connecting with our environment. After the paddling trip, we spent some time enjoying the

beach at Galveston Island State Park. The waves were a blast! Scott from the Turtle Island Restoration Network met us on the beach and showed the students through the process of sampling for microplastics trapped in the sand. Environmental Science in action!
