

WHERE & WHEN

NUTRITION POLICY

Elementary School Classroom Snacks	Elementary classrooms may serve one nutritious snack per day in the morning or afternoon (not during regular meal periods for that class) under the teacher’s guidance. The classroom snack may be provided by the school food service, the teacher, parents or other groups and should be at no cost to students. Prepackaged snacks must comply with the fat and sugar limits of the Texas Public School Nutrition Policy, and must be single-size servings. All snacks (homemade and prepackaged) may not contain any FMNVs or consist of candy or dessert type items (cookies, cakes, cupcakes, pudding, ice cream or frozen desserts, etc.). However, this does not apply to snacks students bring from home solely for their own consumption.
Elementary Classroom Birthday Parties	Foods otherwise restricted by the policy are permitted at in-classroom birthday parties. Parties must be after the classes lunch period as to not spoil the child's appetite for a nutritious meal.
Snacks for TAKS Test Days	Schools and parents may provide one additional nutritious snack per day for students taking the TAKS tests. As with classroom snacks, these must comply with the limits outlined in the Public School Nutrition Policy. For healthy snack ideas, see TDA’s listing of “Suggestions for Nutritious Snacks,” available on request and at www.squaremeals.org .
Field Trips, Athletic, UIL, Band and Other Competitions	The nutrition policy does not apply to students who leave campus for campus-approved field trips or to travel to athletic, UIL, band or other competitions. The school day is considered to have ended for these students. School activities, athletic functions, etc. that occur after the normal school day are not covered by the policy.
Other	Certain exemptions are allowed for school nurses, students with special needs and up to three school wide events preapproved by campus officials. (NOTE: Federal regulations do not allow FMNVs to be sold or given away during meal periods where reimbursable meals are served/ consumed, including during any exempted events.)

COMPLIANCE AND PENALTIES

Please be aware that stricter penalties are now in place when violations of the Texas Public School Nutrition Policy are identified. Please refer to the full policy and amendment at www.squaremeals.org for further details on compliance and penalties.
