2012 Bond Project Advisory Team (PAT) Meeting
Austin High School

MEETING #: 13

LOCATION: Austin High School Library

DATE / TIME: September 14, 2015; 4:00 PM

MEETING CANCELLED:

Due to an agreed upon request by ERO Architects to further evaluate and determine the associated cost impact of a different site/floor plan design layout requiring less renovations and more demolition/new construction, the PAT Meeting scheduled for September 14, 2015 was postponed until October 12, 2015, instead. The PAT will be brought up to date on the potential design changes, with proposed revised site plan student circulation and floor plan layouts at that time.

NEXT PAT MEETING: Monday, October 12, 2015 @ 4:00 pm, Austin High School Library.
