PURPOSE: Discussion focused on technology in the new school.

AGENDA:

- Presentation from HISD IT Department
- Questions and Answers
- What to expect at the next PAT Meeting

DISCUSSION:

1. A revised image of the atrium flag art was shown. A sample of one flag element was available for review. There was a lot of discussion on the shape and size of the elements. Some thought the hexagon shape might be disrespectful to the countries exhibited. *The flag art was meant to be symbolic of all the nations represented by the school population. The hexagon shape was selected for its ability to be hung from a point like a mobile element. The flag art is not in the current budget. The design team will provide information for the PTA to use for fundraising.*

2. There was a discussion about adding charging stations. This will be a FF&E element but the design team will need to accommodate power sources for the stations. Suggested locations include dining commons, flex lab, learning commons, extended learning and fitness area.
3. Presentation from HISD IT Department will be rescheduled for a later date.
4. Each of the learning spaces shall have an interactive board and marker board at the presentation wall. Wall talker marker surface is planned along the opposite wall. The school would like a sample. *WHR will try to get a sample for their use.*
5. The TMC/HISD land agreement is pending and should be going to the October 9th HISD Board meeting.
6. A Neighborhood Meeting is planned for October 1st at Roberts Elementary.
7. The last Community Meeting is planned for October 28, 2014.
8. The November PAT meeting will be moved to November 20, 2014 and the December PAT meeting will be canceled.

ACTION ITEMS:

22-1 Schedule IT Department to present at the DeBakey High School PAT meeting.

WHAT TO EXPECT AT THE NEXT PAT MEETING:
