PURPOSE: Review of the Finishes for Exterior Elevations

AGENDA:

- Introductions
- Project status review
- Review the Exterior Elevations
 - Site Plan
 - Floor Plan
 - Roof Plan

DISCUSSION:

- Robert Barrera, Project Director for Rice Gardner, welcomed visitors and members to the meeting. Mr. Barrera then introduced Michel Scott as the new Senior Project Manager who would be replacing Mike Woods, the previous project manager.
- Mr. Scott introduced himself, provided preliminary information relative to his background and experience. Mr. Scott then introduced the Architect of Record, Harrison & Kornberg Architects.
- Daniel Kornberg with Harrison Kornberg Architects, presented and reviewed with the PAT Exterior Elevations specific to and outlining the proposed metal panel to be used as an exterior finished material. HKA also reviewed floor plans thus referencing the location that the material would be used in.
- HKA also presented and reviewed material samples showing the color, texture, and proposed finish of the proposed exterior metal panel material.
- HKA advised that the proposed metal panel material could be installed either vertically or horizontally.
- Mr. Scott reviewed with the PAT logistics and regarding the upcoming Community Meeting scheduled for 10/27/2015. Mr. Scott also provided the PAT with an overall project update relative to upcoming bidding, building permit, and potential construction start date.
- HISD advised that the communication department would be contacting the school principal regarding specifics relative to the upcoming Community Meeting.

QUESTIONS/CONCERNS

- What is the material to be used for the exterior school sign? HISD to follow up and provide at next PAT Meeting.
- Why is the Dowling Design Board not on display at the Hattie Mae White Building? HISD advised that since DMS was a Phase II school, it was no on display. Only Phase I schools are on display at Hattie Mae White.

ACTION ITEMS:
