PURPOSE: Development of the project.

AGENDA:

- Introductions
- Review plan modifications
- Status of LEED certification

DISCUSSION:

1. Ms. Yaghooti reviewed LEED broadly, including what the project is trying to achieve (Silver certification). She asked for ideas from the PAT regarding building features/curricula for the "School as

a Teaching Tool” credit. The PAT liked the cutaways they saw in Seattle at Valley View Middle School. Mr. Black suggested something related to daylighting and perhaps the outdoor deck as an observation point with plaques.

2. Ms. Albert and Ms. Lee reviewed revisions to the floor plan.
 - A. Revised areas include the ROTC suite, the security entry (which has been approved by HISD Security), the first floor public restrooms, the staff restrooms in the admin area, the BCR room/Black Box area, and the second floor restrooms and law library.
 - B. The PAT is interested in multiple display areas for trophies, art, etc. Mr. Funk and Mr. Woods like the corridor adjacent to the outdoor dining area on the east side of the building as a location for display cases. The north side of the commons was also suggested.
 - C. The area opposite the public restrooms was suggested for art display.
 - D. Mr. Funk asked if it was possible to share the small group room in the ROTC suite. Mr. Martindale said no, it is in constant use.
 - E. Mr. Funk wanted to make sure the Ed. Spec. square footages were maintained and that the Food Service area did not grow.

QUESTIONS/ANSWERS

1. No additional discussion

ACTION ITEMS:

- 13-1 Ms. Lee will verify educational specification space requirements have been met.

WHAT TO EXPECT AT THE NEXT PAT MEETING:
