Student Data Privacy, Safety and Internet Security Report

About: PowToon is Web-based animation software that allows users to create animated presentations by manipulating pre-created objects, imported images, provided music and user created voice-overs. Powtoon animations can be played in the Powtoon online viewer, exported to YouTube or downloaded as MP4 files. PowToon is also available within the Google Chrome Store.

PowToon **Does:**

• Comply with COPPA, CIPA and FERPA as long as users do not create accounts.
• Encrypt data during transmission via SSL.
• Default to private settings for all data sharing.
• Actively moderate social features and contain methods report abuse.

Powtoon **Does Not:**

• Contain advertisements.
• Remove all data from servers upon account deletion.
• Data collected will not be shared or sold.
