

STAAR END-OF-COURSE (EOC) SUMMER 2024 TUTORIALS PREPARATION

Students who were not successful on or were absent for STAAR End-of-Course (EOC) exams in the spring have an opportunity to prepare for the upcoming STAAR End-of-Course (EOC) Summer June administration this summer.

Students must register for the STAAR EOC at bit.ly or scan the QR code

Students need:

- Scan the QR code to complete the registration process.
- Arrive at Waltrip High School campus between 8:45 AM -9:00 AM for Monday, June 10th until Thursday, June 13th, 2024. The STAAR EOC Summer 2024 Tutorials "PREP" Preparation will be held from 9:00 AM to 2:00 PM.
- Students may bring a fully charged iPad or laptop for the summer tutorials.
- Attend the STAAR EOC Summer 2024 Tutorials Preparation camp all required for all 4 days for the entire time. Students who leave early are in jeopardy of not receiving credit for the attendance appeals processes.

Parents need:

- Be sure that their child has registered for the STAAR EOC Summer 2024 Tutorials "PREP" Preparation. Please provide your email address and cell phone just in case we need to communicate with you.
- Be sure that students arrive on time and are picked up on time.
- If students missed this opportunity the next opportunity for the STAAR EOC administration is December 2024.
- If students are not successful in reaching the approaching, meets or masters during the June Summer STAAR. EOC Administration then students will be scheduled into double blocked courses based on the failed STAAR EOC Assessment.

The next testing opportunity for students is in June. See the WHS Summer Testing Schedule listed below:
