STAAR TESTING DATES

May 16th 5th Grade Science

HISD requires each campus to have procedures in place to ensure the least amount of disruptions on testing days. Therefore, parents will NOT be able to volunteer in the lunchroom, classroom, or workroom on the testing days listed above. Parents and visitors will be able to access the office, but all other areas need to remain secure for testing purposes. Bush Elementary is fortunate to have so many incredible parents and volunteers, but on testing dates we must limit the number of people on campus. Thank you for understanding.

May 31, 2019

All students must attend school through the last day of school on Friday, May 31, 2019.

SPECTACULAR SCIENCE

The Spectacular Science Word for the week of May 13 is food chain/web.
