Thank you to all of our students and families who expressed their appreciation to our teachers last week during Teacher Appreciation week! All of your notes, pictures, videos and messages were amazing! We were so impressed with your creativity and it was so great to see so many of our students!

Do you still have school library books at home? How about classroom library books or novels that belong to the school? Please be on the look out for an email from Ms. Rose with details about our contactless return procedures and specific dates and times for returning these items during the last week of May. We will also be collecting chorus and orchestra shirts and safety patrol belts on designated dates and times.

We would like to express our sincere appreciation to our wonderful school nurse, Diane Guider, for everything she does for our students and staff at Bush Elementary. We are lucky to have such an experienced and knowledgeable nurse at our school. Thank you, Nurse Guider!
