This week is Teacher Appreciation Week! Thank you to all our hard-working Bush teachers who go above and beyond to make our school wonderful. Thank you to all the students who reached out to our amazing teachers to show their gratitude and appreciation.

We are so proud of our Bush Elementary 2019-2020 Teacher of the Year, Mrs. Busse. Today she was selected as the Elementary School Teacher of the Year for the entire district of HISD! A small celebration was held outside of her house with Dr. Grenita Lathan, the Superintendent of our district, and Dr. McSwain, our area Superintendent. What a proud day for Bush Elementary School!
A New Addition

While Bush Elementary is closed for the rest of the school year, there was an exciting update to the grounds last week. A new playground structure was set up on the primary playground. We know our primary students will love playing on these fun new pieces of equipment in August! Thank you so much to the PTO for adding this new addition to our campus!

Registration

Thank you to the many families that have already completed the Intent to Re-enroll form. Even if you’re not returning to Bush next year, please complete the form so we know you’re not returning. You should have received an email that your Re-enrollment form was completed. If not, please make sure your email was correct on the form.

Even in distance we remain Bush Strong. Stay healthy and safe and thank you for all your support as we continue to navigate through Distance Learning.
