Mission Statement

- It is our mission to deliver the highest quality educational experience by maintaining a college culture within a diverse, supportive, public high school.

Our Guiding Belief

- Our work is grounded in our ability to increase educational opportunities for our students. To do this, we believe that all students have unbound capabilities and when given the opportunity, engaged with rigorous content, and held to high expectations, they can achieve on an absolute scale.

Vision

Our Vision

- We envision a world-class learning institution developing a community of holistic leaders who will demand-and then realize-endless opportunities for themselves and their community.

Value Statement

The three Rs: “Relationships, Relevance, & Rigor”

CECHS students function in a college environment and will be guided by adult advocates to develop a sense of responsibility for their own learning through work and life tools acquired in Advisory, Student Leadership, and Guidance classes. The high school curriculum is designed with a level of rigor that better prepares students for a successful college career.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Challenge Early College High School is located on the Houston Community College (HCC) Southwest Campus. Our building is on the 610 West Loop, near Bellaire, Texas. Our agreement with HCC recommends that our enrollment remains small. Our primary goal is to keep classes small enough to provide students with a more personal learning experience. This year, we have approximately 460 students. We are still able to provide the structures, support and individualized education of a small campus. Our school is a very close ethnic representation of Houston as a whole with our student body being 13% African American, 8% White, 5% Asian, 71% of Hispanic, and 3% that claim other races. To further highlight our demographics, we serve students that are approximately 23% At-Risk, 72% Economically Disadvantaged, 35% Gifted and Talented, and all students are supported by the Title I program.

Demographics Strengths

CECHS was built to serve students from an underserved community achieve success in the college realm, specifically, first generation college students, students without the financial means to afford college, and those in need of a small learning environment and the social/emotional support it provides. Embedded on the HCC campus, Challenge students receive first-hand experience in developing the rigor, as well as the soft skills necessary to succeed within a college culture. Being on the college campus allows student access to the many advantages of college and the education it can provide. Our curriculum is advanced, all courses on the high school side are Pre-Advanced Placement, Advanced Placement (AP), Honors, or Dual-credit. We have mainstreamed many of our AP courses so that there is no special selection of students. Our goal is that all students have the opportunity for a rigorous education and so that students will have multiple pathways to college credits and be better prepared for 4 year Universities. With our partnership with HCC, the Middle College National Consortium (MCNC), Educate Texas, our Early College Collaborative, and Houston ISD's Professional Development department, we are confident that all of our students and staff needs will be fulfilled. Our democratic governance structure and focus on our SMART goals, detailed in the body of this document, will ensure an alignment to the path of success we have laid for our students. Challenge continues to receive honors and recognitions each year. Those recognitions include being ranked in U.S. News and World Report's Best High Schools in the nation, the top 100 most rigorous high schools in the nation by Washington Post and consistently ranked among the top 10 high schools in the Greater Houston Area.

Problems of Practice Identifying Demographics Needs

Problem of Practice 1: Students are not on level with scientific processing skills due to lack of hands on in the virtual environment. Before the pandemic students struggled with writing, study skills, time management, social engagement in the classroom, organizational skills, communication. The pandemic only made teacher intervention, support, and meaningful relationships more difficult. Our students' learning problem **Root Cause:** Due to working in a virtual environment, students lacked engagement, motivation, and effort. This platform did not provide enough opportunity for questioning, inquiry, modeling, labs, and diverse learning opportunities. Students have had a lack of communication, rigor, social emotional support, structure/scaffolding.

Board Goals

Board Goal 1: The percentage of 3rd-grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase.

Goal 1: ELAR STAAR scores for the English I STAAR EOC 2022-2023 School year will increase from
 - 93% achieving "Approaches Grade Level" by 2% to 95% "Approaches Grade Level",
 - will increase Meets Level Performance from 86% to 88% and will increase Masters Level Performance from 33% to 35% on the English I EOC.

Strategic Priorities:
 Expanding Educational Opportunities

Measurable Objective 1: Teachers will develop lesson plans and create assessments containing higher-order thinking questions and deliver lessons using a variety of instructional strategies to increase rigor and relevance.

Evaluation Data Sources: Will use District assessments. Teachers will also participate in PLC led by the instructional specialist to help guide the planning process, and the specialist will review lesson plans for evidence of rigor and relevance. To gain more implementation ideas, teachers will participate in professional development activities focused on creating rigorous work for students while also promoting student engagement.

Title I

1. Comprehensive Needs Assessment (CNA)

1.1: Comprehensive Needs Assessment

Deficiency in STAAR Test is in STAAR Eng 1 - Did not meet 7%, Meets, 86% / Eng 2 Did not meet 4%, Meets, 92% / Alg 1 Did not meet 5%, Meets, 69% / Biology Did not meet 2%, Meets, 86% / US History- Did not meet 0%, Meets, 98%. In addition to support students in the preparation in TSI2.0, AP, PSAT, SAT, and ACT.

All classes are advanced; pre-Advanced Placement (pre-AP), Advanced Placement (AP), Honors, or Dual-credit. Therefore, teachers are all required to become AP and Gifted and Talented (G/T) certified. We also use the HISD curriculum documents to ensure alignment with state exams. In addition to STAAR support, CEHCS also provides support in TSI2.0, PSAT, SAT, and ACT in English and Mathematics. CECHS has pathway from high school to college. Housed on the Houston Community College campus, with articulated sharing of space and staff, CECHS allows the high school student to gradually integrate into college course work through his or her traditional high school degree plan. This integration requires dual enrollment, with the student having to show mastery of the knowledge and skills necessary for success (TSI or another HCCS designated entrance test).

Title 1 funds are used to support English and Math with double-blocking students in specific content areas like English or Math. It also may mean establishing early interventions in the form of Peer-to-Peer tutoring or required afterschool tutorials. Core teachers offer two tutorial sessions per week throughout the academic year. This ensures that at least one teacher in every department and every grade level is available everyday. Additional data results, including PSAT and/or SAT results, AP scores, AP Potential, Pre-AP grades, and the Houston Community College (HCC) placement testing (the current tool is Texas Success Initiative or TSI testing), serve as college readiness indicators.

Each core content area shares a common planning period to engage in vertical teaming through the examination of lesson plans, student assessment results, classroom strategies, and intervention plans. Each year Texas mandates the formation of the School Improvement Plan (SIP) which incorporates the use of SMART (Strategic, Measurable, Attainable, Realistic, & Timely) Goals. Our goals which are developed by the Principal and Administrative Team after inspection of a multitude of data sources. Faculty input is also considered. When presented to our staff, each of our teachers creates their own Independent Professional Development Plan (IPDP) for the given year which includes personal-professional SMART Goals. Departments also used the data to develop their IPDP.

We responded to a need for increased achievement on STAAR/EOC's with a double-block ELA/Reading class provided for 9th grade students who had low Lexile scores.

2. Campus Improvement Plan

2.1: Campus Improvement Plan developed with appropriate stakeholders

School improvement plan was developed during preservice with the CECHS Instructional Team/Teachers the week of August 15. Principal review 2021-2022 school accountability data and worked with each department on creating SMART goals. School Improvement Plan was shared with SDMC - school decision making committee on Sep 8, 2022. SIP, then was posted on the school website and camp site Challenge to share with parents and community. This process helped Challenge ECHS Team learned about our areas of strengths and challenges. More than just scores. It's an opportunity to determine the root causes of student achievement or lack thereof.

Subject: Welcome Challenge Early College HS to our 2022 - 2023 school year

Greetings Challenge ECHS Family,

Welcome to our 2022 -2023 school year,

I hope all enjoyed a well-rested and safe summer and I look forward to working with each of you . I want to give you the schedule for your first week back.

Your official first day back is this tomorrow Monday, August 8 and students first day of school is August 22.

We will start our first day back at Challenge ECHS, then we will transition to University of Houston. Houston ISD has professional developments ready for us from Tuesday, Aug 9 – Friday, Aug 12 depending on your content area and job responsibilities. We will have time to review the agenda/email on Monday morning and register for courses using OneSource. Please use the professional development to record the trainings you will be attending (also included your Job-A-Like, GT, Safety, and other online trainings you decide to complete) and make adjustment throughout the week. Please submit your up-dated and completed professional development to my secretary Ms. Rita Leal by the end of the week Friday, Aug 12 - 4pm.

In addition to your content and job a-like PD, the goal for the first week is also to complete the following district wide professional development requirements.

- Gifted and Talented trainings

- Mandatory District-Wide Employee Safety Training
- 2022-2023 District-Wide Mandatory Compliance Courses
- Canvas Online

I will be meeting with the administration from 8am to 9am in the morning to review status on Master Schedule and other items, then we will be joining you for breakfast.

I am looking forward to seeing all of you, and hearing about your summer adventures. It's going to be an awesome year, and I am glad to be part of the Challenge Early College High School Family!

August 8 – Campus PD

- 8am – 9am – Admin meets in conference room
- **8am – 8:30am – Staff - Please complete surveys**
 - Anonymous Survey on Campus Strengths/Areas for Growth:
 - <https://forms.gle/Pq8UA3TqeRMTdVqVA>
 - The results of this survey are anonymous (unless you choose to share your name). I will generalize results and share general responses with leadership/staff if appropriate and necessary. However, specific responses will NOT be shared with anyone other than me. I urge you to provide your honest feedback.
 - Getting to Know You:
 - <https://forms.gle/8sr3F6VgrEbDfd4t5>
 - This is a more light-hearted survey so that I can learn more about each of you.
- **Breakfast- Welcome - Introductions from 8:30am – 11am**
- Review of email / register for professional developments / Complete survey,
- **1pm – 3pm :**
 - What is "Academic Integrity" and How Do We Teach It to Dual Credit Students?
 - This session will examine the realities of working with dual credit students and explore techniques for fostering a greater sense of academic integrity in the college classroom. What does it mean for students to write a more “professional” college paper? How can students learn and behave in ways that demonstrate “I have been trained to do this college work well?” Bring your experience, questions, and a willingness to collaborate!

 - The Secondary Curriculum and Development department is pleased to provide information regarding the August 9-12, 2022, Pre-Service week for campus planning.
 - Teachers are to participate in the Academic content professional development sessions relevant to the content/grade-level teaching for the 2022-2023 school year.
 - All secondary academic content professional development (PD) sessions will be in-person
 - Participants choose from 3 hour block and/or 90-minute block sessions to make up a full day of learning.
 - Please plan and record your training using template attached.
 - Trainings are designed for all teachers - Core content (ELA/R, Math, Science, and Social Studies); Core-enrichment (H/PE and LOTE)
 - Registration: Teachers must pre-register for Academic PD sessions. To register and/or view the catalog of courses offered for August Pre-Service, refer to the Pre-Service website <https://www.houstonisd.org/eLearning>.
 - Refer back to the website by August 8th for final registration
- **CHOICE PD TOPICS:**
 - For the remaining three days during pre-service week, teachers have the option to extend their learning with additional optional professional development opportunities.
 - DISTRICT-WIDE VIRTUAL AND IN-PERSON PROFESSIONAL DEVELOPMENT will be offered. Topics offered may include SEL, Special Education, Data-driven Instruction, Data with DDIS, CANVAS, Office 365 and more.
 - Teachers can pre-register for these choice sessions on the eLearning site which will be updated throughout the summer to provide information about the pre-service days and links to training sessions.
 - Please refer to the [August 2022 Pre-Service, and Job-Alike Update 1](#) ASM for Pre-Service information at-a-glance.
- **Mandatory District-Wide Employee Safety Training**
 - As part of Texas Education Agency, the Texas School Safety Center, Senate Bill 11 and appropriate City of Jurisdiction Fire Code, all employees are required to complete annual safety training as outlined below and available via OneSource.
 - GENERAL SAFETY: 1472040 RM_Compliance 2022: District-wide Employee Safety Training
 - This mandatory safety training compliance course must be completed by all employees by August 19, 2022. Please note this training will be loaded onto the OneSource portal the week of August 1, 2022.
- **Canvas LMS Summer Training Requirements and Offerings**

- Campus leaders, teachers and staff are required to complete Canvas training by August 19, 2022. To assist leaders, teachers and staff in completing this requirement, multiple training pathways have been developed.
- The live training pathway for teachers and staff consists of AIT live Canvas Bootcamp sessions offered during the [Instructional Impact Institute](#) July 26-28 and during August preservice (August 9-19). Access the [Canvas training](#) site for preservice Canvas Bootcamp registration information.
- Self-paced learning options for leaders, teachers and staff include the Growing with Canvas Course (OneSource #1471008) which provides opportunities for teachers and staff to collaborate during the learning process and the [K-12 First Day Ready](#) course which provides an overview of key features and tools in Canvas.
- To complete the requirements for Canvas training, teachers and staff must complete ONE of the following by August 19, 2022:
 - Canvas Learning Series 101-105 (March 21, 2022 - July 14, 2022)
 - Growing with Canvas asynchronous course
 - K-12 First Day Ready asynchronous course
 - Canvas Bootcamp Part 1 during Instructional Impact Institute (July 26-28), New Teacher YUniversity (July 26-28), or August Preservice (August 9-19)
- Principals, Assistant Principals and Deans complete the requirements for Canvas Training by completing ONE of the following by August 19, 2022:
 - Canvas 101-105 for Leaders (June 13, 2022 - July 21, 2022)
 - Growing with Canvas asynchronous course
 - K-12 First Day Ready asynchronous course
- For information on how to register for these learning opportunities, please visit the [Canvas Training website](#). If you have questions or need additional information, contact Academic Instructional Technology at InsTech@HoustonISD.org.

- **Career and Technical Education (CTE) Teacher Pre-Service Day Location and Campus Assignments**

- CTE teachers will attend a full day of training for instructional preparedness regarding Industry Based Certification Planning, Special Populations, and various choice sessions. Pre-Service days will take place from 8:00 AM – 3:30 PM.
 - Date: August 10
 - Location: Waltrip HS
 - CTE teachers will register with OneSource number 1477121.

- **T-TESS Campus level training**

- T-TESS certified principals and appraisers will facilitate the training at the campus level during the week of August 15. All campuses are required to facilitate the training by August 19. The time needed for the training is three hours. Teachers will be required to take a 5-question quiz in OneSourceMe Learning at the end of the training.

- **SDMC Committee 2022 - 2023**

- The 2022-2023 campus SDMC website page should be set up with the new committee members and meeting dates for the school year by the first day of school.

- **2022-2023 District-Wide Mandatory Compliance Courses.**

- There are several districtwide compliance courses for the 2022-2023 year for employees. Starting the first week of July, employees are auto-enrolled in the district-wide compliances courses based on course frequency requirements and users' previous course completions:
 - Courses 1-6 (in green) are required every year and are assigned to all district employees.

- Courses 7-9 (in orange) are required every other year and are assigned to employees who did not complete those courses last year.
- Courses 10-15 are required to be completed once and are assigned to employees who have never completed those courses during their tenure at HISD.

- **Employees who completed the equivalent 2021-22 course before June 19, 2022, will be enrolled in the Refresher version of the course.
- Course Instructions
 - Employees may receive an email from HISDLearningSF-DO-NOT-REPLY@houstonisd.org with list of assigned courses that the employee has been assigned. (Check Focused Inbox and Other.)
 - Courses will appear on the employee's OneSourceMe Learning "My Learning Assignments" list.
 - Employees click "Start Course/Continue Course" to select and view the online course content.
 - All employees must successfully complete the quiz for each online course to receive completion credit.
- **Principals and Manager (SUPERVISORS)**

- Principals are strongly encouraged to allocate time during the HISD Pre-Service Days (August 2022) for campus employees to work on compliance courses. Department managers are strongly encouraged to allocate time during a new employee's onboarding timeframe and provide reminders to current employees to complete. The full districtwide compliance online courses can total sixteen plus (16+) hours.
 - Principals can approve campus-based staff who complete compliance training courses during non-duty time prior to August 8, 2022 to utilize a compensation day in place of the February 20, 2023 Teacher Service Day.
 - New Teachers and New Employees hired during the 2022-2023 year will be auto-enrolled in the courses when granted access to the OneSource system. Plan to allocate onboarding time for the completion of required HISD courses.
 - I am also attaching some resources such as the pre-service week one overview, the reopening parent guide created by HISD and a Digital tool page
 - I did want to reach out to each of you to inform you that our SE P-16 team will be working virtual for the remainder of the month or until further notice. Should you need anything, please do not hesitate to reach out. Both Rosario and I are here for you. I also do want to know your districts plans, (besides HISD) on plans to have students remain in person or remote?
- **GT Trainings**
 - G/T 30 – Must have certificate on file at campus – Initial 30hours are required by all teachers and GT coordinators, taken once in career)
 - G/T 6 Hours Updates – Must have certificate; taken annually for all teachers.
 - FYI:
 - All course included on the attachments count towards G/T update hours.
 - Any G/T courses completed from June 12, 2021 – June 8, 2022, will count towards the 2021-2022 school year.
 - Any G/T course completed from June 9, 2022 - June 1, 2023, will count towards the 2022-2023 school year.

Thank you

Region 4 ESC Gifted and Talented Summer 2022 Professional Learning Sessions

In alignment to the *Texas State Plan for the Education of Gifted/Talented Students (Texas State Plan)*, districts make a local decision regarding what courses to accept as the G/T 30-hour training requirement and annual six-hour update. Region 4 encourages every participant to check with his or her district G/T lead prior to registering for any G/T session.

30-Hour Training Requirement

The following Region 4 courses align to the *Texas State Plan* requirements for the G/T 30-hour training requirement.

Please note: These sessions may also be counted for the six-hour update if the participant is in need of a refresh on the content or if the district requires different courses for the 30-hour requirement.

Asynchronous Online Course Opportunities

These sessions begin five days after registration closes and end approximately three weeks later. The sessions are provided through our Canvas Learning Management System (LMS) so participants have greater flexibility in completing the course.

Nature and Needs of Gifted/Talented Students Online

Gain a deep understanding of the benefits and challenges facing gifted students. Examine and analyze the history of gifted education, modern legal requirements, and service design options. Explore the characteristics of gifted students and the nature of gifted education through research-based, hands-on activities. This is a facilitated, self-paced online course. Course login information will be emailed from gifted@esc4.net during the week prior to the course start date.

Please note: Course completion certificates will be available 3-5 business days after the session has closed.
