Phone Conference ID: 182 419 936#

- Microsoft Teams access was available for those members who could not attend in person,
- The meeting was held in classroom 260 and members present will be reflected on the sign in sheet.
- Team talked about how Fraga is supporting the students who will be taking the STAAR test in April for ELA and May for Algebra 1, Biology and US History.
  - During the day acceleration instruction, after school tutorials and Saturday school will continue as scheduled.
- The team also talked about the District Released assessment and how they will be using the data to support the students in each level (No Passers, Approach, Meets and Masters.)
- ESSER Funds will be continue to utilize for after school tutorials and Saturday school.
- Concern about some students taking online APEX are behind. Parents will be contacted.
- Information about the New Canvas online was provided so that teachers can attend professional development and start transferring their information from the HUB to Canvas online.
- Team reviewed policies and rules to make sure we remind students about dresscode and continue to implement the collection of cell phones when students enter the class, then distribute back when class has ended.
- Mr. Santos talked about Effective School Framework plan for cycle 3 and how funds will be used.

## SDMC – Shared Decision Making Committee

March 21, 2022

- AVID San Francisco, 2 smart boards, 10 cameras for ELA projects.
- Ms. Cooper, Mr. Martin mention the possibility of improving yearbook with the new technology
- Fraga received AVID support from the district and will be working on developing a plan for school wide AVID to promote essential skills, literacy (WICOR) and college and career.
- Mr. Horne talked about senior events.
