Title I, Part A Program- Purpose

Purpose

The Title I, Part A program is intended to help ensure that all children meet challenging state academic standards, regardless of economic status . Title I is the government's attempt to provide all children with the opportunity to receive a fair, equitable and high-quality education, and to close the achievement gap .

How Schools Qualify

- Campuses with a low-income **enrolled** percentage of 40%-100% are considered “school-wide” campuses.
- Campuses with a low-income **enrolled** percentage of 35-39% are considered a “targeted assistance” campus.
- Campuses with a low-income **enrolled** percentage below 35% are not eligible for Title I funds.
