Dear HISD Parents:

As the district transitions to virtual and face-to-face instruction, we need your help communicating the following to students, as well as assisting them as needed. HISD will implement the following schedules for students starting Monday, 2/22:

- **Monday, 2/22 and Tuesday, 2/3:** No school. Opportunity for students to complete and submit missing assignments.

- **Wednesday, 2/24:** Students participate in virtual learning lessons and complete assignments to submit according to grade level. Completion of assignments provides attendance.
  - **Pre-Kindergarten–Kindergarten:** Complete at least one lesson in Imagine Learning (20 min) and one in Imagine Math (20 min). Total: 40 min
  - **Grades 1st -5th OPTION 1:** Complete at least one lesson in Imagine Learning (30 min) and one in Imagine Math (30 min). Total: 1 hour
  - **Grades 1st -5th OPTION 2:** Log into the HUB and complete February 15* student planner lessons to submit assignments for core content areas (Reading, Math, Science and Social Studies) by 11:59 p.m. Students should submit at least one lesson activity to be counted present.

- **Grades 6th -12th (MS and HS):** Log into the HUB and complete February 15* student planner lessons to submit assignments for all classes (core content and core enrichment) by 11:59 p.m.

*NOTE*: HISD schools were closed the week of February 15 due to inclement weather, power, and water issues, so students did not engage in virtual or in-person lessons. Therefore, on Wednesday, February 24, students will begin with the February 15 student planner lessons to log in and complete assignments.

- **Thursday, 2/25, and Friday, 2/26:** All students transition to virtual live instruction with their teachers. Follow guidance from your teacher.

- **Monday, 3/1:** Face-to-face and/or virtual instruction will resume on all campuses. All students will engage in in-person or virtual live instruction with their teacher(s).

Students, parents and caregivers may obtain support through the following:

- **HISD @ H.O.M.E. Hotline**
  713-556-INFO (4636)
  8:00 a.m. - 4:00 p.m., Monday - Friday

- **Instructional Technology**
  Schedule a 1:1 online session for HUB, Teams, digital resources or other online tech support
  Wednesday – Friday:
  InstTech@HoustonISD.org
  Book an Online Appointment

- **Imagine Learning and Imagine Math Tech Support**
