REPORT FROM THE SUPERINTENDENT

Office of Superintendent of Schools
Board of Education Meeting of March 7, 2013

SUBJECT: INVESTMENT REPORT

Section 2256 of the Government Code requires that the Board-designated investment officers prepare and submit to the Board of Education, not less than quarterly, a written report of investment transactions for all funds covered by the act for the preceding quarter.

The quarterly investment report for the quarter ending December 31, 2012 for fiscal year 2012–2013 contains portfolio composition and maturity schedules for all funds, as well as beginning and ending book and market values for each fund’s investments.

The Houston Independent School District’s (HISD’s) investments are governed by the Board-approved Cash Management and Investment Policy. All investments purchased meet the three basic tenets included in policy: investment safety, investment liquidity, and investment yield. All investments are held to maturity. HISD does not invest on a speculative basis.

This report also contains a compliance letter signed by the Chief Financial Officer and the Treasurer, who have been designated by the Board of Education as the district’s investment officers for the day-to-day management of HISD’s cash and investment position.
REPORT FROM THE SUPERINTENDENT

Office of Superintendent of Schools
Board of Education Meeting of March 7, 2013

SUBJECT:  Board Monitoring System Update

The Houston Independent School District (HISD) exists to strengthen the social and economic foundation of Houston by assuring its youth the highest-quality elementary and secondary education available anywhere. In fulfilling this goal, the HISD Board of Education has designed the framework for the systematic monitoring of the district's goals.

The following specific, actionable measures will be provided to the HISD Board of Education on an annually recurring basis for ongoing monitoring and trend reporting in the areas of rigorous education in reading and math, consistency, and safety with the intent of providing a holistic view of the district. As data is received into the district, data attributes are populated.

Attached to this update is an Executive Summary containing supporting evidence of district progress for the 2012–2013 school year, specifically for the Preliminary Scholastic Assessment Test (PSAT) results.

EXECUTIVE SUMMARY

Purpose
The Houston Independent School District (HISD) exists to strengthen the social and economic foundation of Houston by assuring its youth the highest-quality elementary and secondary education available anywhere. In fulfilling this goal, HISD’s Board of Education has designed a program to systematically monitor the district’s goals and core values. The following results inform the progress of the district as it relates to rigorous education and college and career readiness, specifically the percent of students who scored at or above the benchmark scores on the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT), as recommended by the College Board.

For both sophomores and juniors, the PSAT/NMSQT benchmarks are the scores associated with a 65-percent likelihood of achieving a first year college grade point average of 2.67 or higher. For 2012, the score needed for juniors has been identified as a combined score (reading, mathematics, and writing) of 142, and the combined score for sophomores is 133. Currently, there is no benchmark score for freshmen. For 2010 and 2011, the College Board College Readiness Benchmark for sophomores was a combined score of 145, and the benchmark for juniors was 152.

*Revised 2012 College Board Readiness Standards
Findings

- The 2010–2012 PSAT performance of sophomores, juniors, and combined grade levels was evaluated in terms of the College Board College Readiness Benchmark set for the corresponding year, and results are presented in Figure 1.

- The percentage of students in combined grades 10 and 11 meeting the College Board Readiness Benchmark jumped from 13.6 in 2011 to 21.4 in 2012. This increase is largely due to the College Board revising the standards in 2012.

*Percentages meeting the benchmarks published for that year are shown.

- The percentage of combined 10th and 11th graders who met the College Readiness Benchmark, according to the 2012 standards, has increased slightly over the past three years from 21.1 in 2010 to 21.4 in 2012 (Figure 2).

*Percentages recalculated for comparison purposes to 2012 standards.
When comparing the performance of HISD sophomores from 2011 to 2012, the mean reading and mathematics scores increased by 0.9 and 0.1 points, respectively. The mean writing score went up 1.5 points. Scores for sophomores in the state of Texas increased in all testing subjects over the same time period. Likewise, the national average scores for sophomores increased in mathematics and writing. Since the fall of 2011, HISD sophomores have narrowed the gap between their performance and that of their state counterparts in all subjects. Compared to national performance, HISD sophomores narrowed the performance gap in all subjects but mathematics from 2011 to 2012 (Figure 3).

![Figure 3: Mean PSAT Scores of 10th Grade Students in HISD, Texas, and the Nation, Fall 2011 and 2012](image)

The average performance of HISD juniors in the fall of 2012 increased 0.8 points in reading from 2011, increased 0.2 points in mathematics, and up 1.2 in writing. Scores for juniors in the state of Texas increased in reading and writing, and nationally, increased in all testing subjects. Since the fall of 2011, HISD juniors have narrowed the gap between their performance and that of their state counterparts in all subjects. Compared to national performance, HISD juniors narrowed the performance gap in reading and writing from 2011 to 2012 (Figure 4).

![Figure 4: Mean PSAT Scores of 11th Grade Students in HISD, Texas, and the Nation, Fall 2011 and 2012](image)
• Table 1 illustrates PSAT performance by student group and grade level beginning in 2003. For tested sophomores, the highest mean reading score was obtained in 2012 (37.9) while the lowest occurred in 2003 (36.1). For math, the highest score was obtained in 2010 (40.2), while the lowest occurred in 2003 (37.2). Regarding writing, the highest score was obtained in 2004 (42.4), while the lowest occurred in 2010 (35.5).

• For tested juniors, the highest mean reading score was obtained in 2006 (41.5), while the lowest occurred in 2004 (39.3). For math, the highest score was obtained in 2010 (43.4), while the lowest occurred in 2003 (40.7). Regarding writing, the highest score was obtained in 2004 (45.3), while the lowest occurred in 2010 (38.8). Though freshmen began testing in 2010, there has been a static, or increased, yearly performance in reading and writing.

• Table 2 shows the combined mean reading, math, and writing scores for freshmen, sophomores, and juniors for the fall of 2011 and 2012. When comparing overall performance from the fall of 2011 to the fall of 2012, it was found that for the 40 campuses with results for both years, 35 campuses (88 percent) showed an improvement in reading scores, 24 campuses (60 percent) showed an increase in mathematics scores, and 33 campuses (83 percent) showed improvement in writing scores.

Table 4 presents the percentages of test takers from each high school that took part in the PSAT for the past two years.

• During the fall of 2012, 90 percent of the schools who tested freshmen had participation rates of 75 percent or higher. When comparing the participation rates from fall 2011 to the fall of 2012, it was found that of the 39 schools that tested freshman in both years, 19 schools showed improved participation rates or remained at 100 percent.

• Of the schools that tested sophomores in 2012, 90 percent had a sophomore participation rate of 75 percent or higher. When comparing the participation rates from fall 2011 to the fall of 2012, it was found that of the 40 schools that tested sophomores in both years, 17 schools showed improved participation rates or remained at 100 percent.

• In the fall of 2012, 92 percent of schools that tested juniors had a participation rate of 75 percent or higher. When comparing the participation rates from fall 2011 to the fall of 2012, it was found that out of the 38 schools who participated in both years, 18 schools showed improved participation rates for juniors, or remained at 100 percent.

ADMINISTRATIVE RESPONSE

After a review of the 2012-2013 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) report, the department of College and Career Readiness has the following response:

In the area of **College Readiness**, we have provided all high school campus test coordinators which include administrators, counselors, college access coordinators and instructional specialists with training on the benefits of using the Summary of Answers and Skills (SOAS) to aid instructional planning at the campus. This has been successful and we intend to continue providing yearly assistance to campuses that analyze their SOAS as a means to increase academic performance and preparedness for college entrance exams.

In the area of **Student Performance**, we will continue to work with the Curriculum Department and the College Board, to provide additional training to teachers that will focus more closely on strategies and best practices such as pacing on the test. This training will be provided in an effort to assist campuses as they work to increase student performance on the PSAT and close performance gaps.

In the area of **Student Participation**, we are concerned about the number of eligible special education students in the test administration. To improve in this area, we will collaborate with the Office of Special Education Services (OSES) senior managers for secondary schools and the College Board to ensure that all campus Students with Service Disabilities (SSD) coordinators and campus Special Education Chairpersons are trained on the approval process for testing with accommodations well before submission deadlines.
The Houston Independent School District (HISD) Board of Education Policy Committee has proposed revisions to BE(LOCAL) Board Meetings. Pursuant to Education Code 11.051(a) and 11.151(b), the Board of Education constitutes a body corporate and, as such, the purpose of these proposed changes is to clarify the communication responsibilities and timing with respect to the Board of Education.

A summary of the changes to this policy is shown below:

- At AGENDA PREPARATION, expanded language to clarify notification process and timing among Board of Education Trustees; and
- Added reference to state law regarding meeting notice timing.

The proposed revised policy is attached.

ORGANIZATIONAL GOALS/IMPACT: This agenda item supports HISD Goal 5: Improve Public Support and Confidence in Schools and is aligned with Core Initiative 5: Culture of Trust through Action.

THIS ITEM DOES NOT REQUIRE CONSULTATION.

THIS ITEM DOES MODIFY BOARD POLICY.

RECOMMENDED: That the Board of Education accept the proposed revisions to Board Policy BE(LOCAL), Board Meetings, on first reading.
The Board shall hold regularly scheduled meetings and any special or emergency meetings or workshops as it deems necessary. Portions of a meeting where action will not be taken may be conducted with less than a quorum at the discretion of the Board President.

Unless otherwise provided in the notice for a meeting, regular Board meetings shall be held at 4400 West 18th Street, Houston, Texas.

MEETING TIME
Regular meetings of the Board shall be held on the second Thursday of each month at the time specified in the posted agenda for the meeting. When determined necessary and for the convenience of Board members, the Board President may change the date or time of a regular meeting. The notice for that meeting shall reflect the changed date or time.

SPECIAL OR EMERGENCY MEETINGS
The time and place of special and emergency meetings shall be as set out in the notice for the meeting.

WORKSHOPS
Workshops may be scheduled as deemed appropriate and may be conducted with less than a quorum at the discretion of the Board President. [See BE(LEGAL)]

AGENDA PREPARATION
In consultation with the Board President, the Superintendent shall prepare the agenda for all Board meetings. Before the official agenda is posted for any meeting, the Superintendent shall consult the Board President to ensure that the agenda and the topics included meet with the President’s approval. The Board President shall ensure all Trustees are notified as to any agenda items he or she withdrew, at the time of the withdrawal request and no later than 24 hours prior to the meeting posting, to allow adequate time for Trustees to respond to withdrawn items. In reviewing the agenda before posting, the President shall ensure that any topics the Board or at least three members of the Board have requested to be addressed are either on the agenda for the first regular meeting that is at least seven calendar days after the date the President receives the request, or on the agenda for a special or emergency meeting if the President determines that the item requires immediate consideration and communicates to the public in accordance with state law, Gov’t Code 551.043(b) [See BE (LEGAL)].

NOTICE TO MEMBERS
Members of the Board shall be given notice of regular and special meetings at least 72 hours prior to the scheduled time of the meeting and at least two hours prior to the time of an emergency meeting.

CLOSED MEETING
**BOARD MEETINGS**

Notice of all meetings shall provide for the possibility of a closed meeting during an open meeting, as provided by law. [See BEC (LEGAL)]

**ORDER OF BUSINESS**

The order of business for regular Board meetings shall be as set out in the agenda accompanying the notice of the meeting. The order in which posted agenda items are taken may be changed by consent of all Board members present.

The Board may conduct a closed meeting when the agenda subject is one that may properly be discussed in closed meeting. [See BEC(LEGAL)]

**CALLING SPECIAL MEETINGS**

The President of the Board shall call a special meeting at the President’s discretion or on request by three or more members of the Board.

**CALLING EMERGENCY MEETINGS**

The President shall call an emergency meeting when the President or three or more members of the Board determine that an emergency or urgent public necessity, as defined by the Open Meetings Act [see BE(LEGAL)], warrants the meeting.

**RULES OF ORDER**

The Board shall observe the parliamentary procedures as found in *Robert’s Rules of Order, Newly Revised*, except as otherwise provided in Board procedural rules or by law. Procedural rules may be suspended at any Board meeting by majority vote of the members present.

**BOARD MEMBERS’ REQUESTS FOR INFORMATION**

Requests by Board members for information on the operation of the District shall be addressed to the Superintendent. If the information is not readily available or would require administrative staff time to prepare, the Superintendent may refer the request to the full Board at a subsequent meeting, for direction. [See also BBE(LOCAL)]

**VOTING**

Voting shall be by voice vote, show of hands, or electronic voting system, as directed by the President. Any member may abstain from voting, and a member’s vote or failure to vote shall be recorded upon that member’s request. [See BDAA(LOCAL) for the Board President’s voting rights]

**MINUTES**

Board action shall be carefully recorded by the secretary or clerk; when approved, these minutes shall serve as the legal record of official Board actions. The written minutes of all meetings shall be approved by vote of the Board and signed by the President and the Secretary of the Board.

The official minutes of the Board shall be retained on file in the Office of Board Services and shall be available for examination during regular office hours.
DISCUSSIONS AND LIMITATION

Discussions shall be addressed to the President of the Board and then the entire membership. Discussion shall be directed solely to the business currently under deliberation, and the Board President shall halt discussion that does not apply to the business before the Board.

The Board President shall also halt discussion if the Board has agreed to a time limitation for discussion of an item, and that time limit has expired. Aside from these limitations, the President shall not interfere with debate so long as members wish to address themselves to an item under consideration.

CONDUCT DURING BOARD MEETINGS

Persons attending a meeting of the Board shall conduct themselves in an appropriate manner and shall not engage in conduct that disrupts or interferes with the proceedings. Failure to adhere to the required standards of conduct may result in removal of the responsible persons from the premises and may subject such persons to criminal penalties as provided in the Texas Penal Code.

PROHIBITED CONDUCT

The following conduct has been determined by the Board to constitute disruptive behavior and is, therefore, prohibited:

1. Possessing a weapon at the meeting;

2. Waving or displaying signs, placards, posters, or banners in such a manner as to pose a potential safety hazard or disrupt the proceedings;

3. Applauding, booing, cheering, or making other audible expressions of approval or disapproval in a loud and/or raucous manner calculated to disrupt the meeting; or

4. Using profane or vulgar language or gestures during presentation to, or interaction with, the Board.

VIOLATIONS

Any violation of the standards of behavior shall result in a warning. Failure to refrain from engaging in the prohibited conduct upon receipt of a warning shall result in removal of the responsible person(s) from the auditorium and may subject such person(s) to criminal penalties as provided in the Texas Penal Code.

SUBJECT: APPROVAL FOR THE CONSOLIDATION OF JAMES D. RYAN MIDDLE SCHOOL AND EZEKIEL CULLEN MIDDLE SCHOOL AND TO ESTABLISH ATTENDANCE BOUNDARIES

For the past decade, both James Ryan Middle School and Ezekiel Cullen Middle School have continually dropped in student enrollment. For the 2013–2014 school year, an enrollment of only 300 is projected for James R. Ryan. Middle schools that are this small do not generate enough funding to provide adequate educational opportunities for their students.

To provide greater options and opportunities for the Ryan Middle School students, the Houston Independent School District (HISD) Board of Education is requested to approve the consolidation of James D. Ryan Middle School into Ezekiel Cullen Middle School to be effective at the beginning of the 2013–2014 school year.

The proposed boundary for the consolidated school zone will include the current attendance zones for both schools. The proposed boundary is indicated below.

Beginning at the point of where the center line (CL) of US-59 and CL of I-45 intersect; following the CL of I-45 southeast to the point of intersection with the Houston Belt & Terminal Railway (HBT); south along the west side of the HBT tracks to the point of intersection with I-610; west along the CL of I-610 to the intersection with the Union Pacific Railroad (UP RR); southwest along the CL of UP RR to a point of intersection with an imaginary line running due south along the eastern property line of 9111 Lakes At 610 Dr.; following north along that imaginary line to the eastern property line of 2575 West Bellfort Ave to the point of intersection with the CL of West Bellfort Ave.; heading east along the CL of West Bellfort Ave. to the point of intersection with the western property line of 8868 Interchange Dr.; following north along the western property line of 8868 Interchange Dr. and the western property line of 2525 South Loop Freeway to the point of intersection with the CL of Interstate 610; east along the CL of Interstate 610 to the point of intersection with the eastern property line of 2562 South Loop Freeway; heading north along the eastern property line of 2562 South Loop Freeway then along the eastern property line of the addresses on Hearth Dr.; to the point of intersection with the CL of Westridge St.; following east along the CL of Westridge St. to the point of intersection with the CL of Lantern Point Dr.; then north along the CL of Lantern Point Dr. to the point of intersection with the CL...

SUBJECT: AUTHORITY TO NEGOTIATE, EXECUTE, AND AMEND CONTRACTS WITH DESIGN FIRMS FOR SELECTED 2012 FACILITIES CAPITAL PROGRAM PROJECTS

The Houston Independent School District’s (HISD) 2012 Facilities Capital Program was approved by voters on November 6, 2012.

A request for qualifications for Architectural-Engineering Services was issued on December 3, 2012, and HISD received 85 statements of qualifications (SOQ) from design firms on January 15, 2013.

To assist the HISD selection committee, an Architectural Advisory Committee comprised of professors from the University of Houston, Rice University, and Prairie View A&M University Schools of Architecture was assembled to offer its expertise in the area of 21st century school design.

In accordance with Texas Government Code Chapter 2254, and in consultation with legal counsel, the design firm selection followed a formal qualification review process. The HISD selection committee conducted an initial review of all submitted SOQs and 36 firms were invited to provide oral presentations. All firms, including firms not invited to provide oral presentations, will remain under consideration for other 2012 Bond projects. The list of the most highly qualified firms for selected 2012 Facilities Capital Program projects will be forthcoming.

Approval of this board item will authorize the superintendent of schools or a designee to negotiate, execute, and amend contracts at a fair and reasonable fee not to exceed seven percent of the construction costs, plus a 10 percent contingency of the negotiated design fee and the actual cost of necessary consultants not included in the fee for basic design services, such as surveying, geotechnical engineering, and roof construction observation. Each contract will be established with fixed-fee compensation based on a formulated construction cost.

Furthermore, approval of this item will authorize the superintendent of schools or a designee to negotiate, execute, and amend contracts with the next most highly qualified firm for each project should negotiations with the most highly qualified firm be unsuccessful.
COST/FUNDING SOURCE(S): The cost for the recommended actions will be funded by 2012 Bond Program funds.

SUBJECT: APPROVAL OF AN ADJUSTMENT TO THE BUDGET AND AUTHORITY TO NEGOTIATE, EXECUTE, AND AMEND ALL NECESSARY CONTRACTS FOR HVAC REPLACEMENT AT WILLIAM SUTTON ELEMENTARY SCHOOL

The Houston Independent School District (HISD) 2007 bond election approved the renovations at William Sutton Elementary School. The HISD Board of Education approved a design contract for the renovations with Pfluger Architects on April 9, 2009.

On December 8, 2011, the HISD Board of Education approved the award of a construction contract for the renovation of Sutton Elementary School to Solidarity Contracting LLC.

The heating, ventilation, and air conditioning (HVAC) portion of the bond work at this school was not performed by the construction contractor. Staff members and consultants required additional time to determine the most appropriate replacement system, identify associated costs/funding, and wait for a window of opportunity (i.e., summer, 2013) to schedule this work in order to minimize the impact to the school.

The estimated project cost for the design, construction, and other related services relative to the new HVAC system is $1,370,000. Therefore, an incremental increase in the project budget in the amount of $770,000 for a total cost not to exceed $1,370,000 is requested.

In order to perform this HVAC work during the summer of 2013, it is recommended that the HISD Board of Education authorize the superintendent of schools or a designee to authorize a job order contractor (JOC) to implement this work and waive the JOC cap for this project. In addition, it is recommended that the HISD Board of Education authorize the superintendent of schools or a designee to negotiate, execute, and amend all necessary contracts including design and construction contracts for the replacement of the HVAC system at Sutton Elementary school.

COST/FUNDING SOURCE(S): The cost shall not exceed $1,370,000 and will be funded by 2007 Bond Program funds (CP1 81-6625-248-99-815-815).

RECOMMENDED: That the Board of Education approve an increase to the budget and authorize the superintendent of schools or a designee to negotiate, execute, and amend all contracts necessary to replace the HVAC system at William Sutton Elementary School, effective March 8, 2013.
SUBJECT: APPROVAL OF CONSULTANT AND PROFESSIONAL-SERVICE CONTRACTS

The purpose of this item is to authorize consultant contracts and professional-service contracts as required by board policy. According to current policy, the Houston Independent School District (HISD) Board of Education’s approval is required for consultant contracts and professional services exceeding $50,000 per engagement, inclusive of expenses, or for consultant contracts where payment to a consultant for the fiscal year has aggregated $100,000, inclusive of all expenses. The attachment reflects a summary of proposed requests. Individual contracts are on-file in Board Services.

The College Board is a not-for-profit membership organization whose mission is to connect students to college success and opportunity. With more than 30 courses in a wide variety of subject areas, Advanced Placement (AP) provides willing and academically prepared high school students with the opportunity to study and learn at the college level. AP courses culminate in a suite of college-level assessments (exams) developed and scored by college and university faculty as well as experienced AP teachers. HISD will pay for AP exams of all the students enrolled in corresponding AP/IB courses and students who wish to take an AP language exam in their heritage language.

Catapult Learning West will provide comprehensive educational services to eligible Title I students based on proven instructional practices using the latest technological advancements to improve student academic achievement. The supplemental educational services, *Learning Links*, will provide direct instructional services to students during the scheduled pull-out or extended-day sessions via individualized online instruction with the support of small-group instruction. The school district is required to provide equitable services to all participating private nonprofit (PNP) schools within HISD boundaries. HISD is the fiscal agent for all Title funding for the PNP schools. PNP schools are eligible to receive all Title-based allocations/services, at the same per-pupil rate as the public schools, as well as allocations/services for parental involvement, professional development, and summer school. Annually, all PNP schools are invited to participate in a required consultation meeting where the specifics and requirements for each Title program are explained. The costs for all services are processed through HISD.

This request represents a third addendum to the original contract approved by the Board July 19, 2012.

SUBJECT: APPROVAL OF VENDOR AWARDS FOR PURCHASES OVER $100,000 AND RATIFICATION OF VENDOR AWARDS FOR PURCHASES UNDER $100,000

The purpose of this item is to authorize vendor awards for purchases over $100,000 and ratify vendor awards for purchases under $100,000. Pursuant to Board of Education policy, contracts for purchases over $100,000 are submitted to the Houston Independent School District (HISD) Board of Education for approval prior to the issuance of purchase orders and/or agreement letters. Procurement Services, authorized by board policy, enters into purchase agreements for bid projects less than $100,000, subject to ratification by the Board of Education.

When determining the successful bidder, consideration is given to the quality of the articles supplied, conformity with developed specifications, suitability to the requirements of the educational system, and delivery terms. All advertised bids are in compliance with minority- and woman-owned business enterprise procedures. All contracts are negotiated and executed with the supplier(s) providing the best overall value for the district.

The attachment reflects the names of successful bidders, the budgets to be charged, and a description of the items to be purchased. A copy of each tabulation is on file in Board Services.

COST/FUNDING SOURCE(S): Funds for these recommended actions will be necessary only one time.

STAFFING IMPLICATIONS: None

ORGANIZATIONAL GOALS/IMPACT: This agenda item supports all six goals and is aligned with all five core initiatives of the district.

THIS ITEM DOES NOT REQUIRE CONSULTATION.

THIS ITEM DOES NOT ESTABLISH, MODIFY, OR DELETE BOARD POLICY.

RECOMMENDED: That the Board of Education approve vendor awards for purchases over $100,000 and ratify vendor awards for purchases under $100,000, effective March 8, 2013.

The purpose of this project is to provide hazardous materials and supplies and insulation supplies needed for the HISD Environmental Services Department for the abatement (removal) of hazardous materials from campuses and facilities structures on an ongoing basis. Supplies are utilized by HISD employees who perform the abatement process for their protection, containing the hazardous materials, and preparation of material removal for disposal. Additionally, insulation supplies are necessary for insulating HVAC pipes in the walls and ceilings once abatement has occurred.

SUBJECT: ADOPTION OF PENALTY ON TAX YEAR 2012 DELINQUENT TAXES FOR THE HOUSTON INDEPENDENT SCHOOL DISTRICT IN ACCORDANCE WITH SECTION 33.07 OF THE TEXAS PROPERTY TAX CODE

Section 33.07 of the Texas Property Tax Code allows a taxing unit to add an additional amount not to exceed twenty percent (20%) of the amount of delinquent taxes, penalties, and interest to each delinquent tax account due and remaining delinquent on July 1 of each year if the taxing unit has contracted with an attorney to collect delinquent taxes. The Houston Independent School District (HISD) is under contract with a delinquent-tax collection firm and has imposed an additional penalty each year to defray collection costs.

Imposition of these penalties allows HISD to retain all delinquent base taxes plus regular penalties and interest, and to pay the delinquent-tax collection firm from the additional collections imposed under Section 33.07.

The Resolution and Ordinance relating to adoption of the Section 33.07, twenty percent (20%) penalty on delinquent taxes can be reviewed on the attachment and is on file in Board Services.

COST/FUNDING SOURCE(S): None

STAFFING IMPLICATIONS: None

ORGANIZATIONAL GOALS/IMPACT: This agenda item supports HISD Goal 4: Increase Management Effectiveness and Efficiency and is aligned to Core Initiative 4: Data-Driven Accountability.

THIS ITEM DOES NOT REQUIRE CONSULTATION.

THIS ITEM DOES NOT ESTABLISH, MODIFY, OR DELETE BOARD POLICY.
RECOMMENDED: That the Board of Education approve the Resolution and Ordinance adopting a twenty percent (20%) penalty under Section 33.07 of the Texas Property Tax Code on tax year 2012 delinquent property taxes for the Houston Independent School District, effective March 8, 2013.
WHEREAS, Section 33.07 of the Texas Property Tax Code authorizes a taxing unit to add an additional penalty not to exceed twenty percent (20%) of the amount of delinquent taxes, penalty, and interest to each delinquent tax account that becomes delinquent on or after February 1 of the year but not later than May 1 of that year, and that remain delinquent on July 1 of the year in which they become delinquent, if the taxing unit has contracted with an attorney pursuant to Section 6.30 of the Texas Property Tax Code; and

WHEREAS, the Houston Independent School District is under contract with a law firm pursuant to Section 6.30 of the Texas Property Tax Code; and

WHEREAS, the Board of Education of the Houston Independent School District has determined that such twenty percent (20%) penalty shall be added to those taxes of the Houston Independent School District, and on any such taxes on properties that may be added to the jurisdictional boundary of the Houston Independent School District in the future, said Board by vote taken and passed on March 7, 2013 has voted to impose such twenty percent (20%) penalty on those taxes for the Houston Independent School District, and on any such taxes on properties that may be added to the jurisdictional boundary of the Houston Independent School District in the future, that become delinquent on or after February 1 of the year but not later than May 1 of that year and that remain delinquent on July 1, for the tax year 2012.

THEREFORE, BE IT RESOLVED AND ORDAINED THAT:

All of the above paragraphs are incorporated and made a part of this Resolution and be it,

RESOLVED and ORDAINED that the Board of Education of the Houston Independent School District has approved and does hereby pass, approve, authorize and declare that all tax year 2012 taxes, for properties currently within the jurisdictional boundary of the Houston Independent School District, and on any such taxes on properties that may be added to the jurisdictional boundary of the Houston Independent School District in the
future, not otherwise subject to Section 33.11 of the Texas Property Tax Code, that become
delinquent on or after February 1, 2013 but not later than May 1, 2013 and that remain
delinquent on July 1, 2013, for the tax year 2012, shall incur an additional penalty to defray
costs of collection in the amount of twenty percent (20%) of the taxes, penalties and interest
due, pursuant to Section 33.07 of the Texas Property Tax Code.

PASSED, APPROVED, AND ADOPTED this _______ day of _________, 2013.

HOUSTON INDEPENDENT SCHOOL DISTRICT

Board of Education
SUBJECT: APPROVAL OF 2013–2014 RESOURCE ALLOCATION HANDBOOK

Houston Independent School District (HISD) uses a weighted student resource allocation formula to fund school-based budgets. The weights used in the resource allocation formula closely resemble those used by the state for special categories of students.

The major components of the weighted formula include:

- **To be updated after discussion in Board Agenda Review**

**GRADE-LEVEL UNITS**

Early-childhood, Special Education and Pre-K units are weighted at 0.5 FTE.

Grade-Level units are calculated based on percentage of ADA.

**SPECIAL POPULATION UNITS**

State Compensatory Education (SCE) units are determined by 50 percent economically disadvantaged students and 50 percent at-risk students. The weight is 0.15.

Special Education--the number of Special Education students identified and served determines the Special Education units. The weight is 0.15.

Gifted and Talented--the number of Gifted and Talented (G/T) students identified and served determines the G/T units. The weight is 0.12.

Career and Technology--the number of Career and Technology Education (CATE) full-time equivalents generated determines the CATE units by high schools. The weight is 0.35.

English Language Learners--the number of English Language Learners (ELL) students identified and served determines the ELL units. The weight is 0.10.

Homeless—the number of students who lack a fixed, regular, and adequate nighttime residence, as defined in NCLB, Title X, Part C, Section 725. The weight is 0.05.
Refugee—the number of asylee or refugee students. The weight is 0.05

The recommended per-unit allocations for 2013–2014 would be as follows:

<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Elementary</td>
<td>$3,341</td>
<td>$37</td>
<td>$3,378</td>
</tr>
<tr>
<td>Middle School</td>
<td>$3,366</td>
<td>$37</td>
<td>$3,403</td>
</tr>
<tr>
<td>High School</td>
<td>$3,330</td>
<td>$37</td>
<td>$3,367</td>
</tr>
</tbody>
</table>

*In addition to the per-unit allocation, high school campuses will receive an additional $166 per unit allocation for the High School Allotment.*

The proposed 2013–2014 Resource Allocation Handbook will be transmitted to members of the Board of Education under separate cover.

**COST/FUNDING SOURCE(S):** Funds for school budgets based on the weighted formulas and the provision for the small-school subsidy units will be included in the 2013–2014 budget.

**STAFFING IMPLICATIONS:** The Office of Budget and Financial Planning handles all aspects of the preparation of the 2013–2014 district budget.

**ORGANIZATIONAL GOALS/IMPACT:** This agenda item supports HISD Goal 1: Increase Student Achievement, HISD Goal 3: Provide a Safe Environment, HISD Goal 4: Increase Management Effectiveness and Efficiency, and HISD Goal 5: Improve Public Support and Confidence in Schools and is aligned to Core Initiative 5: Culture of Trust through Action. The approval of this item supports the district’s ongoing budgeting and decentralization initiatives.

SUBJECT: APPROVAL OF VENDORS TO PROVIDE BENEFITS CONSULTING AND ADMINISTRATION SERVICES AND TO RENEW INTERLOCAL AGREEMENTS WITH PARTICIPATING SCHOOL DISTRICTS

The Houston Independent School District (HISD) has utilized an outsourced benefits consulting and administration model since 2000 to assist in streamlined benefits administration and guidance and direction to our medical program. Some of the major changes since the program’s inception include the implementation of an electronic enrollment system, implementation of several variations of wellness and disease management programs beginning in 2001, self-insuring medical benefits, separately marketing and negotiating pharmacy administration, introducing consumer based plans in 2004, two onsite medical clinics, free flu vaccinations and health screenings in 2007, no-cost generic medications for selected chronic conditions in 2008, opening onsite medical clinics in 2010, implementing tiered hospital and limited hospital networks in 2011, and initiating a comprehensive wellness program and incentives in 2013. HISD has continued to innovate and work to improve health care quality and cost for employees. Costs have remained stable for employees and overall have had a 2.9% trend in health care costs since 2001.

Between 2005 and 2012, Mercer estimates HISD has avoided $330 million in health care costs when our cost trend is compared with the national school trend from Mercer’s national health care survey data. By implementing a fee based brokerage system on our voluntary benefit products and an aggressive marketing of our voluntary benefits, HISD employees have avoided nearly $48 million in premium costs since the program began compared with the rates in 2000. Aldine ISD and Katy ISD participate with HISD in our benefits consulting and administration program through interlocal agreements.

The HISD Benefits program has been recognized for its outstanding programs over the years as well. In 2007, it was recognized with a C. Everett Koop National Health Award for effective health and wellness management programs. For the past two years Langrand has been recognized with gold and silver ADDY awards by the Houston Advertising Federation for our benefits communication programs. Last year, HISD was recognized by the Houston Business Journal as one of Houston's Healthiest Employers for our employee health and wellness programs. HISD has applied again this year for the Houston’s Healthiest Employers Award.
HISD issued a Request for Proposal (RFP) for the services utilized in this benefits consulting and administration program and encouraged vendors that could provide parts of the overall services rather than limiting participation to vendors that could propose on all of the services. Ten vendors participated in HISD’s pre-bid proposal. Seven vendors submitted proposals for all or part of the services. Mercer submitted a proposal for all services. ADP submitted a proposal for administration services, onsite services and voluntary benefit administration. Towers Watson submitted a proposal for consulting and communication services. Buck Consulting also submitted a proposal for consulting and communication services. Langrand Communications submitted a proposal for communication services. THCP, Inc. submitted a proposal for onsite administration. Alexander and Associates submitted a proposal for voluntary benefits administration.

A committee of HISD personnel from Benefits, Human Resources, and Technology reviewed the proposals, including interviews with each of the vendors.

Mercer is recommended to provide the benefits consulting services. Their pricing was an all inclusive price. Mercer also has had a history of successful support for HISD and the other participating school districts in managing overall health care costs. In order to improve program performance and manage future costs, additional initiatives are proposed. One is to better manage certain high risk/cost members through an intensive primary care support and coordination process. Additionally, new methods of medical payments through Accountable Care Organizations will need to be reviewed and evaluated for new payment incentive options or payments based on episodes of care rather than traditional fee for service models. Mercer is also recommending that we consider several additional initiatives such as evidence based benefits design, outcomes-based incentives, refined custom networks based on current data, expanded centers of excellence paired with domestic travel programs, and expanding the onsite clinics to provide occupational medicine for injured workers. Mercer will continue to partner with Alexander and Associates to manage and support HISD’s voluntary benefits program.

ADP is recommended for benefits administration services. ADP is a leader in outsourced payroll, benefits and HR solutions. The ADP platform is advanced with important features, such as an existing smart phone access feature and automated life event elections. Additionally, ADP offers an absence management service option that is under further consideration by Human Resources and a dependent verification process that is under further consideration by Benefits. ADP’s ability to expand beyond the current level of services was an important value difference between them and Mercer as well as their long term platform development. Because of the time necessary to transition to a new benefits administrator, Mercer will need to administer the benefits program through at least August 1, 2013.
THCP was the only vendor submitting a proposal for onsite administration and also served as a subcontractor in both Mercer’s and ADP’s proposal. Their onsite staff has considerable expertise in benefits and data system integration between the outsourced benefits administrator and PeopleSoft. With a recommended change in benefits administration, their services will be especially necessary. They are currently assisting Dallas ISD in a similar platform conversion to ADP.

Langrand Communications is recommended for the benefits communication services. Langrand has provided most of the benefits communication work since 2006, and has been very successful in providing innovative and engaging communications work for HISD.

COST/FUNDING SOURCE(S): The total cost of the program is estimated to be $4,530,244 and will be funded by the health insurance internal service fund (IS1 41-6219 920-99-951 951).

STAFFING IMPLICATIONS: None

ORGANIZATIONAL GOALS/IMPACT: This agenda item supports HISD Goal 4: Increase Management Effectiveness and Efficiency and HISD Goal 6: Create a Positive District Culture.

THIS ITEM DOES NOT REQUIRE CONSULTATION.

THIS ITEM DOES NOT ESTABLISH, MODIFY, OR DELETE BOARD POLICY.

RECOMMENDED: That the Board of Education approve the extension of existing agreements to allow for transition of services to new vendors as necessary and to authorize the Superintendent or a designee to negotiate and execute agreements with service providers, effective renewal and amendment of agreements to provide benefits consulting and administration services for health and wellness programs and renew interlocal agreements with participating school districts, effective March 8, 2013.
SUBJECT: **APPROVAL OF RESOLUTION DESIGNATING OFFICERS AND ADMINISTRATORS AUTHORIZED TO ACT ON BEHALF OF THE HOUSTON INDEPENDENT SCHOOL DISTRICT IN ALL MATTERS IN CONNECTION WITH DEPOSITORY CONTRACT AND ALL OTHER BANKING AND INVESTMENT MATTERS**

Subchapter 45 of the Texas Education Code, School District Funds, requires all school districts to select a banking depository for a two-year term. The current depository contract commenced on July 1, 2011 and continues through June 30, 2013. As part of the depository contract process, the Board of Education designates through a resolution the officers and administrators who will be authorized to act on behalf of the district in depository contract matters and all other banking and investment matters that include the following:

- signing of payroll, operating, and workers’ compensation accounts
- approval for funds transfers between the district’s bank accounts
- approval of funds disbursement and interbank transfers via Automatic Clearing House or wire transfers
- acceptance or release of securities for collateralization of funds at the depository bank
- investments—purchase and sale of treasury or agency securities, commercial paper, and any other investments authorized by the district’s Cash Management and Investment Policy
- investments—deposits to and withdrawals from Texpool, Lone Star Investment Pool, and other authorized money-market funds
- other banking matters such as (1) use of neighborhood banks for collection of food-service, athletics, and student-activity funds; (2) use of other banking services for processing of claims; and (3) the pledge, release, and substitution of collateral securities
- miscellaneous other banking matters

Approval of this resolution is needed to ensure legal authorization for the district officers and administrators to deal with depository contract and all other banking and investment matters on behalf of the district. The resolution is being updated at this time due to the hiring of a new Controller.

A copy of the resolution is on file in Board Services.

THIS ITEM DOES NOT ESTABLISH, MODIFY, OR DELETE BOARD POLICY.

RECOMMENDED: That the Board of Education approve the Resolution Designating the Officers and Administrators Authorized to Act on Behalf of the Houston Independent School District in All Matters in Connection with the Depository Bank and All Other Banking and Investment Matters, effective March 8, 2013.
SUBJECT: CONSIDERATION AND APPROVAL OF ADDITIONAL TERM CONTRACT EMPLOYMENT AREAS FOR REDUCTION IN FORCE

This board agenda item was previously presented to the Board of Education at the February 14, 2013 meeting. Revisions have been made to that board agenda item. The superintendent recommends that the Board of Education approve reduction in force for certain term contract employees for the following reasons:

- Reduced state funding creating a budget shortfall that will be addressed, in part, by a reduction of certain staff.
- Campuses anticipating low enrollments for the 2013-2014 school year.
- Recommended program changes, including school consolidations, related to the need to improve and/or meet academic needs on some campuses and in some departments.

To address these issues, the superintendent recognizes that a reduction in force may be necessary in some schools, and therefore recommends that the board approves this action for employees on term contracts. In accordance with board policy DFFB(LOCAL), the superintendent has determined that reorganization and/or program change is required to meet the needs of students on some campuses and in some departments.

Program change is defined by board policy as: “change shall mean any elimination, curtailment, or reorganization of a program, department, school operation, or curriculum offering, including, for example, a change in curriculum objectives; a modification of the master schedule; the restructuring of an instructional delivery method; or a modification or reorganization of staffing patterns in a department, on a particular campus, or District wide.”

Board policy requires that the employment areas of individuals on a term contract affected by a reduction in force must be identified. These employment areas may be implemented campus or district wide. An employee may fall within one or more employment areas. Each employment area will be applied by campus. The following specific employment areas are recommended for a reduction in force, as needed:

SUBJECT: CONSIDERATION AND APPROVAL OF ADDITIONAL CONTINUING CONTRACT TEACHING FIELDS FOR REDUCTION IN FORCE

This board agenda item was previously presented to the Board of Education at the February 14, 2013 meeting. Revisions have been made to that board agenda item. The superintendent recommends that the Board of Education approve reduction in force for certain continuing contract employees for the following reasons:

- Reduced state funding creating a budget shortfall that will be addressed, in part, by a reduction of certain staff.
- Campuses anticipating low enrollments for the 2013-2014 school year.
- Recommended program changes, including school consolidations, related to the need to improve and/or meet academic needs on some campuses and in some departments.

SUBJECT: PROPOSED REVISIONS TO BOARD POLICY CV(LOCAL), FACILITIES CONSTRUCTION —FIRST READING

The Bond Oversight Committee encourages greater accountability, transparency, public support, and confidence in the effective and efficient use of bond proceeds. The committee’s charge, as outlined in the committee charter, is to monitor all applicable bond funded construction projects and help interested Houstonians to stay informed about new construction and renovation projects in the District.

Therefore, revisions are proposed to CV(LOCAL) adding an overview of the Bond Oversight Committee at BOND OVERSIGHT COMMITTEE as well as a reference to the committee’s charter. Additionally, non-substantive changes to dollar thresholds, approval of final payments, and insertions of references are proposed aligning this policy with previous Board of Education decisions in October 2012.

COST/FUNDING SOURCE(S): None

STAFFING IMPLICATIONS: None

ORGANIZATIONAL GOALS/IMPACT: This agenda item supports HISD Goal 5: Improve Public Support and Confidence in Schools and is aligned to Core Initiative 5: Culture of Trust through Action.

THIS ITEM DOES NOT REQUIRE CONSULTATION.

THIS ITEM DOES MODIFY BOARD POLICY.

RECOMMENDED: That the Board of Education accept the proposed revisions to Board Policy CV(LOCAL), Facilities Construction, on first reading.
**COMPLIANCE WITH LAW**
The Superintendent shall be responsible for establishing procedures that ensure that all school facilities within the District comply with applicable laws and local building codes.

**PROFESSIONAL SERVICES**
The administration shall recommend employment of such professional services as needed for architectural and engineering design and appraisals, soil analyses, construction testing services, planning, and for other specific job requirements. Fees shall be established at the time of employment and shall be no more than the prevailing rate for such services.

**EMERGENCY REPAIRS**
The Board delegates to the Superintendent authority for approving emergency repairs of equipment in amounts of up to $100,000, provided that any such items are presented to the Board at its next meeting for ratification. [See also CH(LEGAL) and CH(LOCAL)]

**CONSTRUCTION CONTRACTS**
For each construction contract valued at or above $250,000, the Superintendent shall recommend to the Board the project delivery/contract award method that he or she determines provides the best value to the District. [See CH(LEGAL) and (LOCAL) and CV series]

The Board may approve one or more general construction delivery methods for all projects subject to approval of alternate methods for individual projects.

For construction valued at or above $50,000, the Superintendent shall submit the required contracts to the Board for approval. Lesser expenditures for construction and construction-related materials or services shall be at the discretion of the Superintendent and consistent with law and policy. [See also CH(LEGAL) and (LOCAL)]

**PROJECT ADMINISTRATION**
All construction projects shall be administered by the Superintendent or designee.

The Superintendent shall keep the Board informed concerning construction projects and also shall provide information to the general public. [See CH series]

**CHANGE ORDERS**
Change orders allowances shall be approved by the Board or its designee prior to any changes being made in the approved plans or the actual construction of the facility.

**FINAL PAYMENT**
Final payments for construction work and/or the supervision of such work in the District shall not be made until the work has been completed and accepted by the Board Officer, Construction and Facility Services or designee.
The Bond Oversight Committee encourages greater accountability, transparency, public support, and confidence in the effective and efficient use of bond proceeds. The committee's charge, as outlined in the committee charter [See CV5 (REGULATION)], is to monitor all applicable bond funded construction projects and help interested Houstonians to stay informed about new construction and renovation projects in the District.
SUBJECT: PROPOSED REVISIONS TO BOARD POLICY EL(LOCAL), CHARTER CAMPUSS OR PROGRAM—FIRST READING

Following discussion of the Houston Independent School District (HISD) Board of Education Policy Committee meeting on February 7, 2013, the administration has proposed revisions to charter campus and/or program to provide clarity. A summary of the changes, including the rationale for making the changes, is shown below:

EL(LOCAL), CHARTER CAMPUSS OR PROGRAM
• Added DEFINITION of a charter campus or program as separate and distinct operating entities; and
• Made non-substantive changes moving COMPLIANCE WITH LAW section in proximity to DEFINITION.

The proposed revised policy is attached.

COST/FUNDING SOURCE(S): None

STAFFING IMPLICATIONS: None

ORGANIZATIONAL GOALS/IMPACT: This agenda item supports HISD Goal 5: Improve Public Support and Confidence in Schools and is aligned with Core Initiative 5: Culture of Trust through Action.

THIS ITEM DOES REQUIRE CONSULTATION.

THIS ITEM DOES MODIFY BOARD POLICY.

RECOMMENDED: That the Board of Education accept the proposed revisions to Board Policy EL(LOCAL), Charter Campus or Program, on first reading.
Within the Houston Independent School District (HISD), a charter campus or program is a separate legal entity established via an agreement between the District and another group for the purpose of operating an educational entity. The charter campus or program is operated by an external entity (i.e. not HISD) and employees are not District employees.

By law, the District is responsible for charter campus or program ability to meet state accountability standards. Because a charter campus or program is a separate and distinct entity, the charter campus or program may operate within different parameters and resources from other non-charter campuses or programs. Specific differences shall be outlined in the charter campus or program application.

Charter campuses or programs shall comply with all federal law and with state law governing such charters and shall be secular. [See EL(LEGAL)]

The Board shall consider an application for a campus charter or campus program charter if the applicant:

1. Follows the application process established by the District.
2. Supplies evidence to the Board that the applicant will comply with the statutory and District requirements for a campus charter or campus program charter.
3. Supplies the Board with a petition signed by the parents of more than 50 percent of the students and by more than 50 percent of the teachers at a campus.

An external entity may propose a charter to the Board to be established under a charter contract with the District.

A campus or program for which a charter is granted is exempt from the instructional and academic rules and Board policies as specified in the charter and retains the authority to operate under this charter only if the students at the campus or in the program perform satisfactorily as provided by the charter.

Campus charters and campus program charters shall comply with all federal law and with state law governing such charters and shall be secular. [See EL(LEGAL)]

When a Request for Proposals (RFP) is issued, the Superintendent or designee shall schedule an informational meeting for anyone expressing interest in establishing a charter campus or charter program. Applications and petition forms for charter campuses and charter programs shall be available in the Superintendent’s or de-
signee’s office, in accordance with the time lines established by the RFP.

Applicants shall present a draft of the application to the Superintendent or designee in accordance with a time line established in the RFP. The Superintendent or designee shall work with the applicants in completing the application process.

A public forum shall be held to allow the applicants an opportunity to present their proposals to the Board and to the community prior to formal consideration by the Board.

Final applications and petitions for campus charters or campus charter programs shall be submitted to the District prior to the deadline established in the RFP for a charter to be considered by the Board to begin the following school year.

CONTENT OF FINAL APPLICATION

A final application for a campus charter or campus program charter shall include the following:

1. The purpose and need for such a campus or program;
2. The unique distinction between the proposed program and the District's current program;
3. A mission and goals statement;
4. The curriculum to be offered;
5. A plan for measuring student achievement;
6. A governance and decision-making plan, including a list of local Board policies which shall apply, as well as a list of local policies the applicant is requesting the Board to waive;
7. An enrollment and withdrawal process;
8. A plan for maintaining and reporting PEIMS data in accordance with state requirements;
9. Discipline procedures;
10. A safety and security plan;
11. A plan for providing facilities and student transportation;
12. A facility and maintenance plan that includes routine maintenance as well as emergency procedures for managing potential danger to the health and safety of students and employees;
13. An employment plan consistent with federal and applicable state guidelines, due process requirements, and contract non-renewal and termination procedures; and

14. The role of the chief operating officer responsible for personnel, the budget, purchasing, program funds, and other areas of management.

Applicants shall submit with the application the required petitions indicating evidence of support for the approval of a campus charter or campus program charter.

A charter shall be a written contract signed by the Board President, the Superintendent, and the chief operating officer of the campus charter or campus charter program.

Each charter shall:

1. Satisfy the requirements of the law governing campus charters or campus charter programs.

2. Include the items listed in the application, with any modifications required by the Board.

3. Stipulate a term length for the charter.

4. Establish a date for review or renewal of the charter.

The Board shall revoke a charter if it finds that the charter campus or program:

1. Violates a provision of applicable state or federal law.

2. Violates a provision of the charter.

3. Fails to meet generally accepted accounting standards for fiscal management. [See CAA series]

The Superintendent shall investigate any allegation that a charter campus or program has violated federal or applicable state law or provisions of the charter or fails to meet generally accepted accounting standards for fiscal management. The Superintendent shall hold a conference with the chief operating officer and governing body of the charter campus or program to discuss any such allegation.

If the Superintendent determines that a violation or mismanagement has occurred, the chief operating officer of the charter campus or program shall respond to the allegation at the next regularly scheduled Board meeting. The Superintendent shall ensure that the issue is on the agenda.
The Board shall hear the presentation and take action, if necessary, to place the charter campus or program on probation.

If the Board decides to consider revocation of the charter, it shall schedule a public hearing to be held on the campus where the program is located.
SUBJECT: PROPOSED REVISIONS TO BOARD POLICY EGA(LOCAL), CURRICULUM DEVELOPMENT: INNOVATIVE AND MAGNET PROGRAMS—FIRST READING

Following discussion of the Houston Independent School District (HISD) Board of Education Policy Committee meeting on February 7, 2013, the administration has proposed revisions to various policies to provide greater public transparency and accountability. A summary of the changes to this policy, including the rationale for making the changes, is shown below:

EGA(LOCAL), CURRICULUM DEVELOPMENT: INNOVATIVE AND MAGNET PROGRAMS

- At PROGRAM DESIGN, inserted language underscoring district responsibility to facilitate school choice options districtwide; and
- Added the specific responsibilities of the administration at ROLE OF ADMINISTRATION to create timelines and/or phased approach when establishing, modifying or discontinuing programs; ascertain rigorous and transparent application and acceptance processes; systematically review programs; and develop funding systems.

The proposed revised policy is attached.

COST/FUNDING SOURCE(S): None

STAFFING IMPLICATIONS: None

ORGANIZATIONAL GOALS/IMPACT: This agenda item supports HISD Goal 5: Improve Public Support and Confidence in Schools and is aligned with Core Initiative 5: Culture of Trust through Action.

THIS ITEM DOES REQUIRE CONSULTATION.

THIS ITEM DOES MODIFY BOARD POLICY.

RECOMMENDED: That the Board of Education accept the proposed revisions to Board Policy EGA(LOCAL), Curriculum Development: Innovative and Magnet Programs, on first reading.
MAGNET PROGRAMS AND SCHOOLS

The District’s Magnet Program is a system of educational choices developed to serve students with specialized interests, talents, and needs.

DEFINITION

The following characteristics serve as the underlying framework of the Magnet Program:

1. Each magnet program offers an enriched curriculum designed around a specialized theme that meets students’ interests, talents, and needs and has relevance in today’s society;
2. Each magnet program strives to provide an ethnically diverse student body so that students gain the experience needed to live in a multicultural society;
3. Each magnet program accepts, within its enrollment goal, students who have a strong interest in its magnet theme and who have met the selection criteria appropriate to the program;
4. Each magnet program strives to increase student access to the program through the District’s awareness activities, transfer procedures, and transportation policies; and
5. Each magnet program actively encourages parent, community, and business involvement.

PROGRAM DESIGN

The district, inspiring creative thinking and innovative approaches that lead to instructional and operational excellence, shall facilitate school choice programs across the district. As such, careful consideration shall be given to magnet program design, characteristics and implementation plans.

ROLE OF ADMINISTRATION

Specifically, it shall be the role of the administration to:

- Create timelines and/or phased approach for new, modified or discontinued magnet programs including the development of proposals to be considered by the Board of Education; and
- Create rigorous and consistent magnet program standards for application and acceptance processes that are public, transparent, and appropriate as to the theme and level; and
- Create aligned measures of success and accountability to be utilized for the ongoing monitoring and systematic review of district magnet programs; and
- Create equitable magnet program funding systems.
SUBJECT: PROPOSED REVISIONS TO BOARD POLICIES FDA(LOCAL), ADMISSIONS: INTERDISTRICT TRANSFERS AND FDB(LOCAL), ADMISSIONS: INTRADISTRICT TRANSFERS AND CLASSROOM ASSIGNMENTS—FIRST READING

Following discussion of the Houston Independent School District (HISD) Board of Education Policy Committee meeting on February 7, 2013, the administration has proposed revisions to transfer policies to provide enhanced educational choices for children of district employees. A summary of the changes to these policies, including the rationale for making the changes, is shown below:

FDA(LOCAL), ADMISSIONS: INTERDISTRICT TRANSFERS
- Revisions to offer out-of-district employees open choice options as if they were in-district residents at NONRESIDENT EMPLOYEES; and
- Clarified that an out-of-district resident may not displace a resident or out-of-district employee at secondary schools that do not have an attendance zone.

FDB(LOCAL), ADMISSIONS: INTRADISTRICT TRANSFERS AND CLASSROOM ASSIGNMENTS
- Inserted language at NONRESIDENT EMPLOYEE to align with revisions to FDA(LOCAL); and
- Removed Majority to Minority priority transfer request type at TRANSFER REQUESTS.

The proposed revised policies are attached.

COST/FUNDING SOURCE(S): None

STAFFING IMPLICATIONS: None

ORGANIZATIONAL GOALS/IMPACT: This agenda item supports HISD Goal 5: Improve Public Support and Confidence in Schools and is aligned with Core Initiative 5: Culture of Trust through Action.

THIS ITEM DOES REQUIRE CONSULTATION.

THIS ITEM DOES MODIFY BOARD POLICY.

RECOMMENDED: That the Board of Education accept the proposed revisions to Board Policies FDA(LOCAL), Admissions: Interdistrict Transfers and FDB(LOCAL), Admissions: Intradistrict Transfers and Classroom Assignments, on first reading.
AUTHORITY

The Superintendent is authorized to accept or reject any transfer requests, provided that such action is without regard to race, religion, color, sex, disability, national origin, or ancestral language.

CHANGE IN RESIDENCE

Resident students who become nonresidents during the course of a semester shall be permitted to continue in attendance for the remainder of the semester only with an approved out-of-District transfer. A new out-of-District transfer must be completed for the following semester/school year, subject to any applicable restrictions related to program and space availability.

TRANSFER REQUESTS

A nonresident student wishing to transfer into the District shall file an application for transfer by October 1 of each school year with the Superintendent or designee. Nonresident transfer status will be granted on a tuition-free basis, one year at a time, on the factors outlined below, provided the student qualifies for state funding. This deadline does not apply to external contract charter school programs with space available.

NONRESIDENT EMPLOYEES

A nonresident employee shall benefit as if they were an in-district resident and be permitted to enroll his or her out-of-District child in any District school following the same practices as in-district students, with space available, provided that no resident student’s application for an intradistrict transfer has been denied due to lack of space. Should that school be a magnet program, limitations and the space-available policy as stated below shall apply. Once a transfer is approved, and as long as the student is enrolled continuously, the student shall be allowed to complete his or her academic program at that particular school. [See FDB(LOCAL)]

MAGNET AND SPECIALTY PROGRAMS

No out-of-District transfers may be accepted into secondary separate and unique school (SUS) magnet programs, or at early college high schools and other specialty schools on campuses that do not have an attendance zone provided no resident or employee has been denied acceptance due to lack of space.

Other out-of-District transfers to magnet programs or other District schools shall be considered on a case-by-case basis by the Superintendent. Students granted such transfers shall be permitted to complete the program at the school to which the transfer was granted, provided they complete the official approval process and, if in a magnet program, continue to meet the requirements of the magnet school program on an annual basis. [See FDB(LOCAL)]

EXCEPTIONS

In extenuating circumstances, the Superintendent may approve out-of-District tuition transfers to SUS magnet programs, early college high schools and specialty programs on a case-by-case basis.
for students. When exceptions are granted by the Superintendent, tuition shall be charged.

Students accepted to these programs prior to June 10, 2008, shall be permitted to complete the program, on a tuition basis, at the school to which the transfer was granted, provided they annually complete the official approval process and, if in a magnet program, continue to meet the requirements of that magnet school program on an annual basis.

**EXTERNAL CONTACT**
A nonresident student wishing to transfer into an external contract charter school may do so on a tuition-free basis provided that all in-District qualifying students have been enrolled.

**FACTORS**
In approving transfers, the Superintendent or designee shall consider availability of space and instructional staff, the student's disciplinary history, and attendance records. Qualified nonresident students, including the nonresident children of employees who live outside the boundaries of the District, may not be approved for admission to a school on a transfer if any qualified resident student’s transfer has been denied during the current school year.

**REVOCATION OF TRANSFER**
A transfer student shall be notified in the written transfer agreement that he or she must follow all rules and regulations of the District, including those for student conduct and attendance, and that violation of the District’s rules and regulations may result in revocation of the transfer agreement. The effective date of the revocation will be set in accordance with the written transfer agreement.

Written notification of any transfer revocation shall be sent to the school district of residence.

**TUITION**
The Board shall establish tuition rates based on state guidelines and shall charge and collect tuition within prescribed limits for students ineligible for ADA funding.

**APPEALS**
Any appeals shall be made in accordance with FNG(LOCAL) and GF(LOCAL), as appropriate.
ATTENDANCE AREAS
A student shall be assigned to a school in the attendance area in which he or she resides. A student who wishes to attend a school other than as assigned shall obtain approval prior to enrollment.

CHANGE OF RESIDENCE
A student whose parent or guardian moves his or her residence (domicile) to another attendance zone during the course of a semester may remain at his or her initial school until the end of the semester. If the student is in grade 5, 8, or 12, the student may remain at the initial school until the end of the school year.

NONRESIDENT EMPLOYEES
A nonresident employee shall benefit as if they were an in-district resident and follow the same practices as in-district students. [See FDA(LOCAL)]

CLASS CHANGES
The campus principal shall be authorized to investigate and approve the transfer of a student from one classroom to another on that campus.

TRANSFER REQUESTS
An intradistrict transfer request shall be considered in the following priority order:
1. Legally mandated—such as for special education students.
4. Special.
5. Open enrollment—granted to any enrolled District student who wishes to transfer to another school that has space available to accommodate the student.
6. Public Education Grant (PEG)—see FDAA(LEGAL) and (LOCAL).

An intradistrict transfer shall be for one-year and must be renewed annually. Non-legally mandated transfers may be revoked prior to one year due to misconduct. A student may lose his or her transportation privileges and/or have his or her transfer revoked due to Level IV or V misconduct on the bus.

MAGNET SCHOOL TRANSFERS
A transfer to the Magnet Program, including Magnet and Vanguard Programs, shall be granted to a student who meets the eligibility criteria and qualifications of the specific magnet program requested when there is available space to accommodate the transfer student. These programs shall strive to achieve ethnic and other forms of diversity in the selection of students through a uniform, fair, credible, and properly applied application process. Application procedures shall be disseminated to every parent and guardian.
Transportation may be provided in accordance with established campus guidelines.

The following provisions shall apply to a Magnet and Vanguard transfer:

1. All completed applications postmarked by the deadline, which shall be determined annually, shall be processed during Phase I.

2. A letter shall be sent to each applicant with program recommendation and qualifying status by the annually established date.

3. Each student receiving an acceptance letter from a Magnet or Vanguard program shall be responsible for informing the program by the designated date of his or her intent to enroll.

4. Final acceptance shall be approved by the Student Transfer department.

5. An applicant who has not responded to the acceptance letter shall be contacted by the coordinator.

6. An applicant who does not respond to the coordinator shall be removed from the acceptance list to make space for other students.

7. Vanguard programs with vacancies may accept a change in programs location if a space becomes available at the first choice school until the deadline for the transfer date specified by the Student Transfer department.

8. A Magnet or Vanguard student shall be locked into his or her final Magnet transfer for one year on the August date specified each year.

**MAJORITY-TO-MINORITY TRANSFERS**

A majority-to-minority transfer, aimed at preventing racial isolation of any particular ethnic group, shall be granted to a student who wishes to transfer from his or her attendance area where his or her race is in the majority to another school where his or her race is in the minority. Acceptance of a majority-to-minority transfer shall be in accordance with the Elementary School Guidelines and Secondary School Guidelines and shall be reviewed on an annual basis.

Majority-to-minority transfers shall include transportation, with consideration limited up to 95 percent of building capacity.

**SPECIAL TRANSFERS**

A special transfer shall be granted to a student requesting a transfer to a school offering courses and facilities not available in the...
school in his or her attendance zone or on the basis of certain hardship situations.

[For additional information on types of and qualifications for intradistrict transfers, refer to the *Secondary and Elementary School Guidelines* for the current year.]

The Superintendent is authorized to limit the enrollment in a school when enrollment reaches the building’s capacity and the Superintendent determines that any additional enrollment would adversely impact the educational program at that school.

When the Superintendent limits enrollment or “caps” a school, the Superintendent or designee shall have the authority to deny transfer requests to the capped school and/or to assign students zoned to the capped school to another District school.

**Note:** For the transfer of a student who is the victim of bullying or who engaged in bullying, see FDB(LEGAL). For the transfer of a student who attends a persistently dangerous school, becomes a victim of a violent criminal offense, or becomes a victim of sexual assault, see FDE.
