Next Steps (Kari, 5 min)

Our Collective Purpose

To provide ideas, input and feedback to promote excellence in education and improved outcomes for all HISD students in pursuit of Destination 2035.

To provide valuable input to the Superintendent, his leadership team, and the School Board, who ultimately have decision-making responsibility for the district.

What to expect of us

A commitment to operate with honesty and integrity

Opportunities to give feedback both in conversation and through surveys in writing

Willingness to consider a broad range of perspectives and requests for meeting content

Transparency as it relates to meeting content

Intent to share agendas, meeting minutes, and video recording via the DAC website

What we expect of you

Approach our conversations with both a willingness to share your feedback and a willingness to listen and learn from others whose experiences and perspectives might differ

Engage with courtesy and civility

Create space for as many voices as want to contribute

Direct post-meeting concerns and follow up to co-chairs and/or staff facilitator, as opposed to emailing the entire group

Allow the HISD recording to be the official record of this meeting (preferred) or transparently name your intent to personally record
