- Sinclair ES Expansion Update
- Opportunity for Feedback

Sinclair Mission, Vision & Values

Mission Statement: We exist to ensure learning for all

Vision Statement: Every student will be proficient at or above grade level in all content areas by the end of each grade level.

Core Values:

- We will put safety first
- We are patient, welcoming and open in our communication
- We are focused on solutions
- We are prepared and engaged.

Review Process

- Project initiation
- Decision to Pause
- Input Gathering
 - Staff/PLC
 - Public Survey
 - SDMC
 - PAC

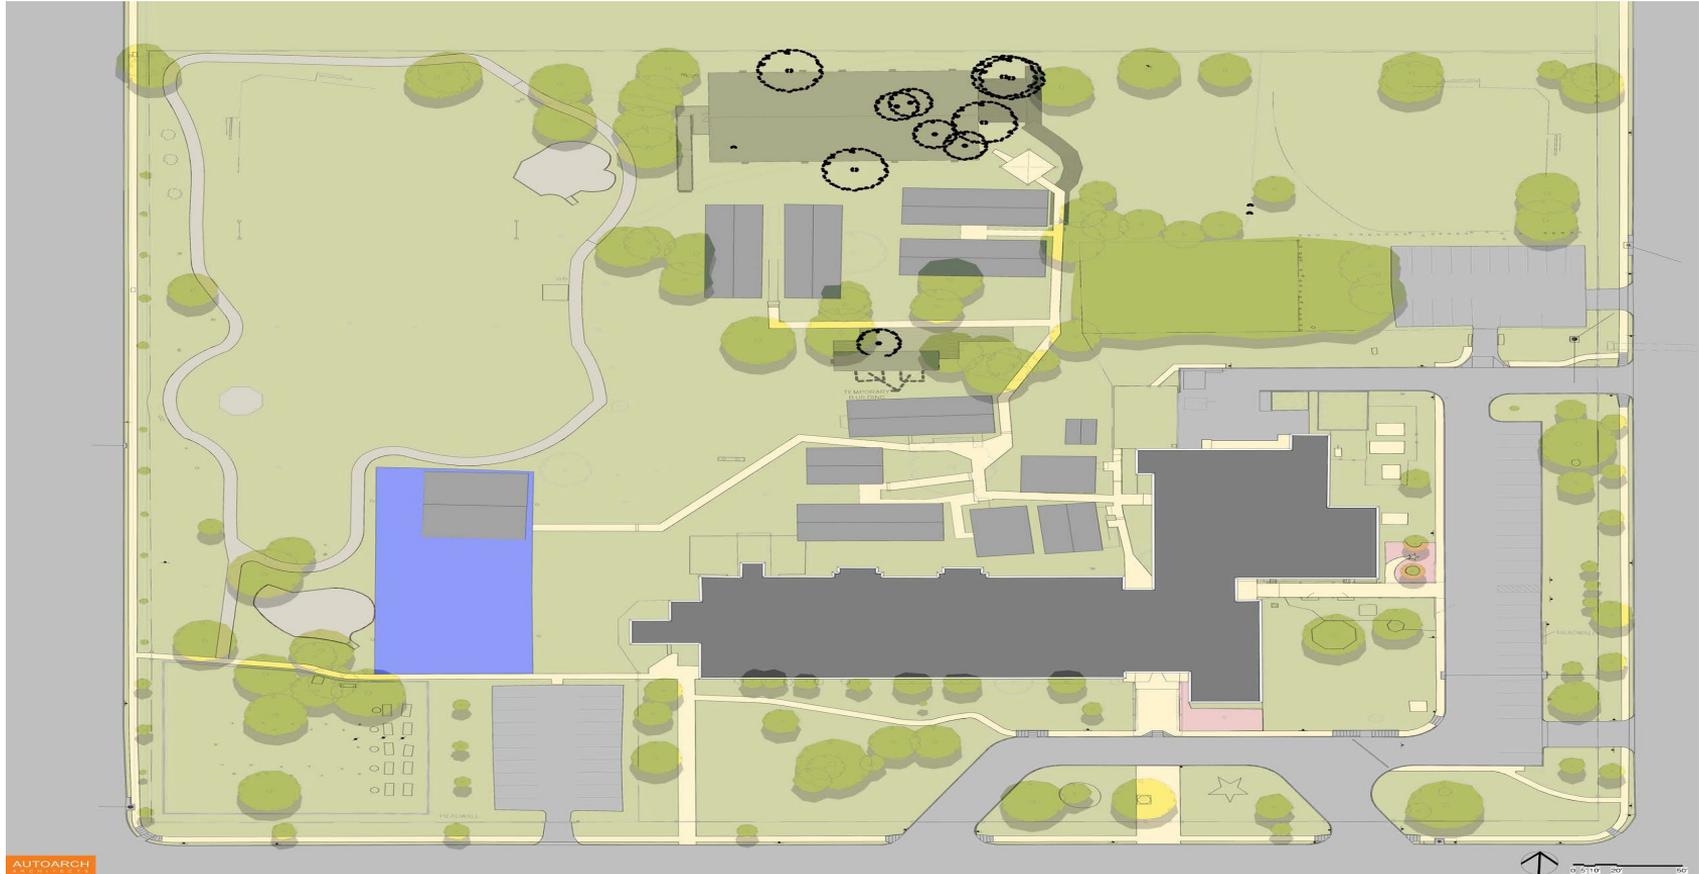

Revised ES Expansion Project

Installation of 1 modular building of 8 classrooms and 1 restroom building, resulting in the removal of now 8-12 trees.

- Addresses the capacity need for campus for the foreseeable future.
- Balances environmental impact with campus need-Maintains open play area soccer and baseball
- Allows for the materials of the additional 8 classrooms to be applied across our campus for classrooms in need.
- Allows the facilities team to still implement the project in time for 2021-22 school year (reduce disruption during school year).
- Acceptance of this additional capacity will continue to afford Sinclair ES consideration on all upcoming potential Bond projects.

Sinclair ES Expansion Update

- Campus will partner with HISD facilities to remain informed of the construction timeline and resulting impact on campus/neighborhood.
 - Specifically, the anticipated date of tree removal will be posted to the website 24 hours in advance. Plans are being made to commemorate these trees.
- Campus will provide regular updates to the community through the Sinclair ES website. Please visit website periodically to remain updated on the project.
 - Campus leaders will report out on project updates at monthly SDMC meetings, PTO meetings, and Town Hall meetings.

Opportunity to Provide Feedback

- 1) Type in internet browser:

<https://bit.ly/3ju8ihS>

- 2) Take a photo of QR code

- 3) Visit Sinclair Elementary School Website
