STUDENT FIELD TRIP GUIDELINES

POLICIES AND PROCEDURES

1. **Purpose.** The purpose of this memorandum is to provide High Schools Office guidelines regarding student trips except for UIL and athletic competitions.

2. **Effective.** Immediately.

3. **Applicability.** This memorandum applies to all schools within the High Schools Office.

4. **Guidelines Governing Student Trips.** All student trips, excursions, or special activities held off campus will be in compliance with board-approved basic guidelines, policies, and procedures contained in the listed References. For High Schools Office schools the following additional rules and guidelines will be applicable:

   a. **Local Trips.** The principal will notify the High Schools Office in writing, at least three weeks prior to the trip, that students will be representing the school locally on an excursion or at a special program or activity. Form 40.5110, Sponsor’s Request for Approval of Field Trip, signed by the principal will serve as written notification. Local trips according to board policy, are those within Harris County and its adjacent counties.

   b. **Out-of-District.** Form 40.5110 will be completed and submitted to the High Schools Office at least eight weeks prior if the trip is out-of-district or overnight. The form will be accompanied by complete trip information to include the following:

      (1) A list of specific learning objectives and activities related to the trip. It is required that schools use the Field Lesson Implementation Plan format for providing this information. This form is required when using Title I, Part A funding.

      (2) An itinerary that will include at a minimum details on destinations, transportation, lodging, and the key dates and times of the trip and its activities.

      (3) List of chaperones and titles. All chaperones who are not district employees must have registered with Volunteers in Public Schools (VIPS) and cleared the criminal history background check before being allowed to chaperone.

      (4) List of students going on the trip with verification that they are eligible to participate in accordance with attendance and extracurricular activity policies.

      (5) Verification that any unusual medical information on students which may be necessary in the event of an emergency has been obtained.

      (6) Verification that Form 40.0079, Parent Approval, will be completed by the parent and on file at the school prior to participation by the student. (Sample form, filled out for requested trip, should accompany request.)

      (7) Check List
c. **Trips Outside the United States.** Foreign travel will be limited to students in grades 9 – 12 and will be allowed only to countries where the political climate is favorable. Request for these trips must be made 120 days before the schedule departure. Information on travel warnings issued by the U.S. Department of State can be obtained at [http://travel.state.gov/travel/cis_pa_tw/tw/tw_1764.html](http://travel.state.gov/travel/cis_pa_tw/tw/tw_1764.html). In addition to the documentation required for out-of-district trips Form 40.4250, Release of Liability for Student Participation in Trip with Destination Outside the United States, will be completed for each student who is participating in the trip. Copies of the Release of Liability forms and Parent Approval forms must be submitted to the High Schools Office with the trip request prior to being forwarded to the superintendent of schools for approval.

5. **Preplanning permission from the superintendent of schools.** Out-of-district trips more than two schools days in duration require the signature of the chief school support officer and trips outside the United States require approval of the superintendent of schools. Remember schools are required to obtain preplanning permission for these trips. *Parents and students should not become involved in any preparation activity related to the trip until after the preplanning permission has been granted by the superintendent of schools.* It is recommended that this permission be obtained by a memorandum request. A sample memorandum is attached.

6. **Field Lessons Funded Through Title I, Part A.** Schools must complete and submit all forms associated with field lessons funded through Title I, Part A, at least 30 working days prior to the date of the field lesson. Required field lesson forms are the Field Lesson Implementation Plan, Sponsor’s Request for Approval of Field Trip, Bus Transportation Request Form confirmation summary page, Direct Pay form where fees are to be charged, and any backup documentation for the such as confirmation letter, invoice for advance payment, or brochure stating prices.

7. **Tournaments.** Athletic, academic, and UIL related tournament events do not require the submission of a Field Trip Request Form or Field Lesson Implementation Plan to the High Schools Office. However, the teacher, sponsor, or coach is responsible for coordinating all plans and arrangements and compiling all necessary information pertaining to the trip for presentation to the principal or other appropriate administrator, as required by the type of tournament event. Please indicate next to the name of field trip, on the Sponsor’s Request for Field Trip form, that trip is an athletic, academic, or UIL related.

8. Forms may be submitted to the High Schools Office by courier or district distribution.

MEMORANDUM

TO: Mark Smith
Chief School Support Office

FROM: Mary Green, Principal
Name of High School

SUBJECT: PREPLANNING APPROVAL REQUEST FOR STUDENT TRIP TO WASHINGTON, D.C.

CONTACT: George Pecos, Social Studies Teacher, 713-924-1600

Name of High School requests preplanning approval to participate in Close Up Washington, January 20-26, 2013, in Washington, D.C. The school has participated in the program for the previous two school years with great success. It is estimated that 10 students will participate. The trip encompasses four school days.

Close Up Washington is a 7-day, 6-night program that develops students' knowledge of basic concepts of government and citizenship. Students will gain greater understanding of the rights and responsibilities of citizens in a participatory democracy; learn how constituents, interest groups and party politics affect the legislative process; understand the impact of the Framers' views of limited government on the structure of government outlined in the Constitution; and explore diverse viewpoints concerning domestic and international policy questions facing Congress, the executive branch and the courts. Students will also see the city's monuments and memorials, explore the Smithsonian museums, and enjoy the cultural diversity of D.C.'s historic neighborhoods. The pinnacle of the week is Capitol Hill Day where students have the opportunity to spend time with their senator(s), representative, and/or staff.

The estimated cost of participation is $1,500 per student. Costs will be paid by parents with some support through activity fund accounts. Costs incurred by the trip sponsor and any accompanying faculty chaperones will be paid through general funds.

All policies and procedures governing student trips contained in SPM 6602.A, Guidelines Regarding Student Trips, will be implemented and followed once approval is granted to begin planning.
