Vision

To create a school environment that provides quality educational opportunities to all students to prepare them for success in middle school.

Mission Statement

The mission of Benavidez Elementary School is to commit to delivering a quality education that provides our students with a foundation for their future. Our school focuses on the whole child to build students' academic, social emotional, and character skills.

Teacher's Pledge

To ensure our students meet promotion standards and are well-prepared for higher education, we are committed to:

- Be prepared for daily lessons.
- Provide feedback to students on their learning.
- Meet students' individual needs, through small group.
- Implement classroom management which focus on positive behavior reinforcement
- Attend professional development to continuously improve as a teacher.
- instructional meet students 'individual needs
- Art of Thinking (AOT) courses, teacher's curriculum are martial arts, photography, gardening, and spin classes with the student's academically growth.
- Data -Driven targeting for student growth

Ms. Amesha Forward

- Assign homework
- Contact parents regarding student absences
- Prepare targeted objective-driven lessons

Parent's Pledge

To empower our children to excel in their studies and progress towards higher education, we will:

- Send my child(ren) to school on time every day before 7:45 a.m. (Monday-Friday).
- Plan to ensure my child(ren) remains at school until 3:00 p.m.
- Support Benavidez's discipline, policies, procedures, and dress code.
- Make sure my child(ren) are doing their homework and reading 30 minutes every night by signing their homework log daily.
- Keep the teacher(s) informed about my child(ren)'s academic progress, health conditions, and life changing events that would affect his/her ability to learn.
- Provide a valid written excuse for my child(ren)'s absences within 3 days of the absence.
- Attend at least 4 parent meetings throughout the school year and support school fundraiser activities.
- Make sure my contact information is up to date.
- Follow up with my child(ren)'s teacher after every progress report and/or report card.
- Become involved in the educational process to be partners in the school.
