## Principal's Corner

The District sent information yesterday that allows for additional exemptions. Unfortunately, the information was incomplete and we are having to offer clarification regarding the new exemptions. The following guidelines will be used to assign exemptions for final exams.

To be exempt for any final exam, students shall:

- have three or fewer absences in each class; and
- have an E or S in conduct with no discipline referrals.

Students will receive an email from the Academic Dean or the Assistant Principal if they meet the qualifications. The email will include the link for selection of the course(s) for which they want the exemption(s). The deadline will be noted on the email. There will be no extensions for submitting the information. Additional absences or an average that drops below an 85 after notification may impact the exemption status. Students will need to report online to the final exam period and will be dismissed after attendance is taken.

### 9th Grade Exemption Opportunities -

1. Those students who qualify based on the above, may be exempt from AP Human Geography and/or AP Computer Science if the student took to AP exam and has a second semester average of 85 or better.

2. Those students who qualify based on the above, may be exempt from one additional final exam for a course with an 85 average or better for the second semester.

#### 10th Grade Exemption Opportunities -

1. Those students who qualify based on the above, may be exempt from AP World History and/or AP Statistics if the student took to AP exam and has a second semester average of 85 or better.

2. Those students who qualify based on the above, may be exempt from two additional final exams for a course with an 85 average or better for the second semester.

#### 11th Grade Exemption Opportunities -

1. Those students who qualify based on the above, may be exempt from IB SL2 courses and AP courses if the student met the testing requirements and has a second semester average of 85 or better. (QUALIFYING COURSES: AP Government/AP exam; IB Art History SL2/AP exam or IB Internal Assessment; IB World Religion SL2/IB Internal Assessment; IB Psychology SL2/IB Internal Assessment; IB Econ SL2/IB Internal Assessment; IB Spanish SL2/IB Oral Exam; IB French SL2/IB Oral Assessment; IB Chinese SL2/IB Oral Assessment; IB Arabic SL2/IB Oral Assessment)

Interested in having a Big Brother/Big Sister?

The purpose of the BBBS program is for each enrolled child to achieve higher aspirations, greater confidence, better relationships, avoidance of risky behaviors and educational success. National research has shown that being in a positive relationship with a volunteer mentor (we refer to them as “Bigs”) has a direct and measurable benefit in a child’s life (we refer to the children in our program as “Littles”).

Littles in our program:

- Are more confident
- Are more likely to stay away from drugs and alcohol
- Do better in school
- Get along better with family and friends
- Feel better about themselves

To be involved, Littles should:

- Be capable of benefitting from a relationship with a Big
- Attend school regularly
- Want a Big and understand the role of a Big
- Plan on attending the participating school for at least one full year
- Have a parent/guardian willing to be a partner with us by maintaining contact and helping keep us informed of changes within the family/match
- Have access to internet and Zoom for virtual meetings

If you are interested in being getting a BBBS mentor, please email Ms. Pruitt @ [cpruitt1@houstonisd.org](mailto:cpruitt1@houstonisd.org)
