

HISD MEDIA ADVISORY

Superintendent F. Mike Miles Announces Family Events

WHAT: Superintendent Miles announced dates for a series of family events to share more information about his vision for HISD, and to meet families from schools across the district. Community events will be held at various sites throughout the district. Families are encouraged to attend the event closest to them but may attend any event they choose.

Families will have the opportunity to register for the event they would like to attend and submit questions for the Superintendent and his team ahead of each meeting. In addition to these meetings, families at New Education System school will be invited to campus-based community meetings once in July and August.
