Using Microsoft Eagle Online Canvas

 Account	<p>Account: Display useful account information and control basic functions such as notifications from here.</p>
 Dashboard	<p>Summarizes your progress on all your HCC courses. Get a quick glance at your grades and access your main courses from this screen.</p>
 Courses	<p>View all the courses you are currently enrolled on. Select a course to view documents, assignments, Test/Quizzes, and group discussions your professor posts.</p>
 Calendar	<p>View upcoming deadlines on assignments and events posted by your professors. Always make sure to double check your own deadlines yourself as some professors may only mention it verbally or in writing but not program it into the system.</p>
 Inbox	<p>View main announcements and messages by your professor and peers. You may also compose a message for them but always make sure to communicate with your professors using their preferred method of communication.</p>
