## A quick guide on your Office 365 application

	Access your school email. View important announcements or send emails to your teachers/ staff members. Check on a constant basis as this will be your main line of communication.
	Save and upload all your assignments to the cloud. Get up to 1TB of cloud storage with your Office 365 account.
đji	Main Platform for online learning. Access Direct and group Messaging. Get access your teacher's online class and view the general chat, voice channels, calendars, and files your teacher might post.
N	Want to take notes on your laptop? OneNote is a note-taking program for free-form information gathering and multi-user collaboration. It gathers users' notes, drawings, screen clippings, and audio commentaries and saves it to the cloud so that you may access it anywhere.

\*Most Office 365 applications are also available on mobile devices\*
