HCC Application

1. Go to https://www.applytexas.org/

2. Select "Create your account now"

3. Fill out the items on this page and click "Save Profile"

   a. Students should apply using their own email address as it will be tied their HCC account and need to be checked by the student regularly.

4. Click "go to My Applications"

5. Click "Create a new application now"

6. Click "create a new 2 year college admissions application"

7. For "Target College" select "Houston Community College (Houston)

8. For "Are you applying to take college courses to be completed while you are still a high school student (Dual Credit or Concurrent Enrollment)?" select "Yes" and click "Continue"

9. For "Semester of Entry" select "Fall (Aug-Dec) 2021" and click "Continue"

10. For "Major" select "Liberal Arts, Humanities and Education" and click "Continue"

11. Click "continue to my application"

12. Continue through the application by entering all **required** information.

13. Once you have completed the application, you should receive an email receipt. Within 48 hours, you should receive another email with your official HCC Acceptance Letter and 9-digit HCC ID number, which you will use to complete your HCC enrollment forms.
