Educational Program Assurance

An evaluation and formal written analysis of each service related to contracts that support the District’s initiative to increase student achievement, as defined in the District’s Declaration of Beliefs and Visions, shall be performed. For central office contract initiatives, the Superintendent or delegate shall perform the analysis. For campus school contract initiatives, the principal or delegate shall perform the analysis. The analysis shall document any assumptions, contain supporting documentation, and reach a conclusion as to the level of assurance achieved from deliverables and/or services from the inception of the contract to the current date as compared to contractual terms and work described in the Board’s

Contractual language for deliverables and/or services related to any contract that supports the District’s initiative to increase student achievement shall contain:

- Standard language that would allow the District to terminate the contract within 30 days in case satisfactory assurance as determined by the Superintendent or Board is not reasonable.
