

MEET THE COUNSELOR

Demetria Harris, M.A., LPC

About Me

Hello, my name is Ms. Harris, and I am delighted to be supporting the students & staff at NHECHS this school year. I received my Bachelor of Science degree from Sam Houston State University and my Master of Arts from Prairie View A&M University. I have 20 years of wonderful experience in education from Elementary to Post Secondary and a heart for helping others. Along with that experience and heart, I have five nieces and one nephew that keep me entertained. I look forward to an exciting school year!
