- **Welcome** — Paulette Caston, Director – Office of the Chief of Staff, welcomed the District Advisory (DAC) members and guests.

- **Superintendent Search** — Dr. Patricia Linares, Senior Consultant, JG Consulting
  Shared the process of conducting a search for Houston ISD Superintendent. She informed the group that the consulting firm is to make sure that the Board of Trustees has all of the information they need related to what the stakeholders are looking for in a new Superintendent. The Board of Education will receive input from all stakeholders and use the information to develop the leadership profile. This leadership profile defines what the qualifications are for the next Superintendent.

  Dr. Linares explained the process of the stakeholder meeting. The DAC engaged in the meeting by providing feedback to a series of questions that were posted in the TEAMS chat:
  - Please tell us your hopes and aspirations for HISD.
  - Please share with us the current celebrations in HISD.
  - Please share the current challenges that your new Superintendent will need to address upon entering HISD.
  - What are the characteristics, traits, and work experiences that are needed by the next Superintendent to be successful in HISD?

  After receiving comments from the DAC, Dr. Linares provided an opportunity for members to pose questions/comments before her next Zoom meeting.

The meeting was adjourned by Ms. Caston at 5:49 pm.
