

Dance Curriculum Courses

Dance courses are dependent on the technical level of the student. Students placement occurs in the beginning of the Fall Semester by technical skill level not grade level. Students are re-evaluated for technical progress in December for the Spring Semester and in May concluding the re-audition process. Additionally, Dance Majors can participate in numerous master classes the department offers as well as guest choreographers and technique intensives.

Freshmen Year

Two Semesters

Ballet M/W/F
 Modern Dance M/W/F
 Technical Production Crews - Fall/Spring
 Dance Nutrition & Survey T/TH
