

## Helms Elementary

A Dual Language Magnet School

### From the Desk of

**Principal, Ms. Diana Del Pilar** - Dear Helms Families,

It was wonderful to see so many of you at our **Helms Winter Concert**. The holiday cheer is in the air. This week will be busy with Friday's **Helms Winter Musical** and Friday **Class Winter Celebrations** from 2:0-3:00pm. I want to thank all room parents and volunteers for your support in making all of our events a great success! Parents please keep the following in mind:

**1)** Students need to continue reading daily and reinforcing their math skills during the winter break to avoid regression. HISD is providing a series of web resources to close gaps and enrich student learning from home.  
**2)** Teachers will be providing user names and passwords for several programs. If you do not receive this information, please contact the **teacher before Friday** to get this information. You should receive log in information for the following programs.

**PreK-** Frog Street. **Kinder/First/Second-** Reading Street or Tesoros, Dreambox, iStation, Envision, Renzulli. **Third/Fourth/Fifth-**Reading Street or Tesoros, iStation, ThinkThrough Math, Envision, Renzulli.

**3)** McDonalds, Starbucks, Panera, and many other local venues offer free wi-fi. The Heights and Oak Forest Libraries offer computer access. There are many ways to provide your children with online learning experiences. You can find the links to many web based learning sites on the Helms webpage in the Resources Channel.

**4)** These web resources are all aligned to state and national standards and are adaptable learning environments that are differentiated for every child. I am asking that every parent make a commitment to provide learning time during the winter break and hopefully take advantage of our online learning tools.

May you have a safe and memorable break along with your loved ones! I look forward to seeing everyone at this week's events.

**Magnet Coordinator, Julie Sanchez – Attention 5<sup>th</sup> Grade Parents and**

## Parent Connection

Second grade students visited the Menil Collection and learned to write their view on different art pieces.

Thank you to all the chaperones, 2nd grade teachers, and Writers in the Schools for this valuable experience
