Dr. Tabitha Davis, Principal

Site Based Decision Making Meeting

December 14, 2017

The meeting was called to order by **Dr. Tabitha Davis** at 4:30 p.m.

Items of Discussion:

- Student Safety
 - Dismissal Procedures
- Academic Interventions

Dismissal Procedures

Dismissal procedures are in place to ensure the safety of our students. Each staff member has afternoon duty from 2:55-3:15. We use a staggered dismissal process for gradual release of students, which helps to ensure a smooth dismissal of our 1,100 students. Teachers, administrators, teaching assistants, and clerical staff assist with duty at strategic locations including bus ramp, carpool lane, walker area, and common areas.

Academic Interventions

To ensure that our students are prepared to be successful on high-stakes exams, we provide various forms of academic intervention. These resources include:

- Small group instruction for additional support in Math & Reading during elective classes
- Enrichment and Intervention classes built into our master schedule
- Imagine Math – online tool for Math support (grades 3-8)
- Prodigy Math – online tool for Math support (Kindergarten-2)
- Achieve 3000 – online tool for ELA support (grades 1-8)
- MyOn books – online tool for reading (Kindergarten)
- Study Island – online tool for cross-curricular development
- Motivation Books for every STAAR-tested content area in grades 3-8

Our teachers also teach to the state-curriculum with effective lessons that are developed using district resources available to us in the HUB. We offer STAAR tutorials after-school, on Saturdays, and during Spring Break.
