The criteria shall be specific to the state definition of GT and shall ensure the fair assessment of students with special needs, such as the culturally different, the economically disadvantaged, and students with disabilities.

Definition

Gifted Education Plan

The term “gifted education plan” (GEP) means a written statement for each student who qualifies for gifted education that includes:

1. A statement of the student’s present levels of academic achievement;

2. A description of how the student’s education shall be differentiated based on GT identification results and past academic performance; and

3. A statement of the curricular modifications or supports for school personnel that shall be provided for the student.

GT Committee

A campus shall have a GT committee for the purpose of implementing the District’s GT programs in accordance with 19 Texas Administrative Code 89.1 and Board policy. The responsibilities of the campus GT committee include:

1. Determination of eligibility for GT services under the GT label based on District-established criteria; and

2. Development of the student’s GEP.

Appeals of District decisions regarding program placement shall be in accordance with FNG(LOCAL) as well as the Elementary and Secondary School Guidelines.

Committee Members

A campus shall ensure that each GT committee meeting includes all of the following: shall be composed of

1. At least two three local-campus certified educators who have received training in the nature and needs of gifted students, as required by law; and

2. At least one campus-based administrator.
Committee Meetings
A campus shall initiate and conduct GT committee meetings for the purposes of developing, reviewing, and revising the GEP of a student who qualifies for gifted education. The committee shall review each student’s GEP, and, if appropriate, revise it. A meeting must be held for this purpose at least once a year until the student is in grade 8.

A “meeting” does not include informal or unscheduled conversations involving District personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provisions if those issues are not addressed in the student’s GEP.

Notification
Parents and students shall be notified in writing of selection or rejection for the gifted program. Participation in any program or services provided for gifted students is voluntary. The District shall obtain written permission from a parent before a student is placed in a gifted program.

Reassessments
The District shall not perform routine reassessments unless requested by a parent or guardian. If the District reassesses students in the GT program, the reassessment shall be based on a student’s performance in response to services and shall occur no more than once in elementary grades, once in middle-school grades, and once in high-school grades. The District shall not perform routine reassessments unless requested by a parent or guardian.

Transfer Students
When a student identified as gifted by a previous school district transfers into the District, the GT Office shall review the student’s records and conduct reassessment procedures, when necessary, to determine if placement in the District’s program for GT students is appropriate. The GT Office shall make a recommendation to the campus by the District’s gifted/talented office, with a recommendation forwarded to the campus selection committee to determine whether placement in the District’s program for GT students is appropriate.

The committee-GT Committee shall make its determination within 30 days of receiving GT transfer records and shall base its decision on the recommendation of the GT office and the collection of additional screening criteria as needed. The parent shall be notified in writing of the placement decision.

[See FDD(LEGAL) for information regarding transfer students and the Interstate Compact on Educational Opportunities for Military Children.]

Intradistrict
Intradistrict transfer students who have been identified as GT according to established District criteria shall continue in the program on the campus to which they transfer.
Furloughs

The District may place on a furlough any student who is unable to maintain satisfactory performance or whose educational needs are not being met within the structure of the GT program. A furlough may be initiated by the District, the parent, or the student.

In accordance with the Board-approved program, a furlough shall be granted for specified reasons and for a specified period of time. At the end of a furlough, the student may reenter the GT program, be placed on another furlough, or be exited from the program.

The following guidelines regarding furloughs shall apply:

1. Furloughs may be granted on an “as-needed” basis. A request with a specific timeline for a furlough must be submitted in writing to the campus Vanguard coordinator.

2. If a furlough is granted, space shall be reserved for the student with a one-school-year maximum.

3. Furloughs are considered on a case-by-case basis and may include, but are not limited to, the following: custody issues, divorce, parent/guardian sabbatical leave, foreign exchange programs, medical problems, and the like.

Exiting of Students from Program Services

Students may only be exited from GT services at the request of their parents. The District shall monitor student performance in response to GT program services. If at any time the selection committee or a parent determines it is in the best interest of the student to exit the program, the committee shall meet with the parent and student before finalizing an exit decision.

Appeals

A parent, student, or educator may appeal any final decision of the selection committee regarding selection for or exit from the GT program. Appeals shall be made first to the selection committee. Any subsequent appeals shall be made in accordance with FNG(LOCAL) beginning at Level Two.

Magnet / Vanguard Transfers

See current provisions on transfers to Vanguard programs in policy FDB(LOCAL).

2. Provide services during the school day as well as the entire school year; and

3. Provide program options enabling GT students to work together as a group, work with other students, and work independently during the school day.

**Curriculum and Instruction**

Every student deserves a stimulating curriculum and the opportunity to excel; therefore, curriculum and instruction for GT students shall be modified in the depth, complexity, and pacing from the general school program and shall provide:

The District shall continue to encourage community and family participation in services designed for GT students through:

1. Written policies on student identification and curriculum that are disseminated to parents;

2. Programs that are evaluated annually with the data used to modify and update District plans; and

3. Access to exemplar curriculum, as well as real-time access.

information with Board members, administrators, teachers, counselors, students in the GT program, and the community.

**Use of Funds**

The District’s GT program shall address effective use of funds for programs and services consistent with the standards in the state plan for GT students.

The District shall annually report to the Texas Education Agency (TEA) regarding funding used to implement the District’s GT program. The District shall annually certify to TEA:
