Students and parents, text the following code to the number 81010 to receive information for a particular class:

ENGLISH IV: @ddd29h7

I will be sending updates through Remind 101.

Technology

We will be utilizing various resources to access the Internet to research, review material and complete activities. You must hold yourselves to high expectations when you use these resources.

Unless I specifically say that you may have your cell phones out, you must keep them out of sight, on vibrate or off, at all times. If I see your cell phone in class outside of the approved times, it will be confiscated and returned at the end of the school day or to a parent.

JY Commitment

At Jack Yates High School, this agreement outlines the commitments needed for a successful English IV year.

Students should actively engage in class, meet deadlines, set and work towards academic goals, and prepare for post-high school plans.

Parents are encouraged to support their child's education, monitor progress, and foster open communication.

Teachers will provide a supportive learning environment, clear guidance, and feedback while helping students prepare for their future.

By signing this agreement, students, parents, and teachers pledge to work together to ensure a productive and successful academic year.
