"YES Abroad opened my eyes and heart to the global community. By being a daughter, sister and friend I was able to learn about and share culture. I now have two homes, two families and countless friends from around the world."
— Hannah, Malaysia Alumna

"My year abroad showed me so many things about myself and it opened my mind to a greater acceptance for everyone and the way they live. The most important thing you can do is to go into this experience with an open mind and heart to let the world show you what it has to offer."
— Logan, Ghana Alumna

"While abroad, I gained cross-cultural understanding through living day to day life in my small town. Since I returned, my exchange experience has continued as I have switched roles from an American youth Ambassador in Thailand to a representative of Thai culture in America."
— Augusta, Thailand Alumna

Build a global community.

Develop leadership skills, international competence, and an understanding of global interests and values shared across cultures by participating in YES Abroad. Gain new insights into your own culture and the world by developing respectful and enduring relationships between Americans and people of other countries.

Find the Project for You

Our programs for ages 15–19 vary in length, Spanish level, theme, and lodging type. Choose a two, three, four, or six-week project, live with a host family, or pick a group experience. Whatever you're looking for, there's an AMIGOS project for you!

From an AMIGOS Alum:

"My favorite part of AMIGOS was how I became so comfortable with the people around me and tried so many new things that pushed me out of my comfort zone and helped me grow. I don't think any other program can do that so well."
