Board Goals
  Board Goal 1: ELAR The percentage of 3rd grade students performing at students reading and writing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase 8 percentage points from 42% in spring 2019 to 50% in spring 2024.
  Board Goal 2: MATH The percentage of 3rd grade students performing at or above grade level in math as measured by the Meets Grade Level Standard on STAAR will increase 8 percentage points from 46% in spring 2019 to 54% in spring 2024.
  Board Goal 3: SCHOOL PROGRESS The percentage of graduates that meet the criteria for CCMR as measured in Domain 1 of the state accountability system will increase 8 percentage points from 63% for 2017-18 graduates to 71% for 2022-2023 graduates reported in 2024.
  Board Goal 4: CLOSING THE GAPS The percentage of students receiving special education services reading at or above grade level as measured by the Meets Grade Level Standard on the STAAR 3-8 Reading and STAAR EOC English I and II assessments will increase 8 percentage points from 21% in spring 2019 to 29% in spring 2024.
  Board Goal 5: N/A - Additional Campus Goals
State Compensatory
  Budget for 051 Hartman Middle School
  Personnel for 051 Hartman Middle School
Title I Schoolwide Elements
  ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)
    1.1: Comprehensive Needs Assessment
  ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)
    2.1: Campus Improvement Plan developed with appropriate stakeholders
    2.2: Regular monitoring and revision
    2.3: Available to parents and community in an understandable format and language
    2.4: Opportunities for all children to meet State standards
    2.5: Increased learning time and well-rounded education
    2.6: Address needs of all students, particularly at-risk
  ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)
    3.1: Develop and distribute Parent and Family Engagement Policy
    3.2: Offer flexible number of parent involvement meetings
Title I Personnel
Addendums
Comprehensive Needs Assessment

Needs Assessment Overview

Priority needs for Hartman Middle School consist of increasing reading comprehension and math problem solving for all subgroups, targeted small group instruction based on formal and informal assessments, teachers identifying and addressing individual student learning needs thus improving first instruction with alignment of lesson plans and assessments. Another priority need at Hartman Middle School is to focus on students at the approaches, meets level and adjust instruction by improving planning, executing higher level questioning techniques and scaffolding instruction. Hartman Middle School offers various programs driven by data to address students' needs. These programs consist of grade level courses, Pre-Advanced placement classes, intervention classes for Reading and Math, ESL program, Special education program and Medical Science Magnet program. The champion leadership team will model, practice, support and provide feedback, ensure safety for all children, utilize data to drive small group instruction, build content knowledge during PLC’s and communicate universal schoolwide systems for best practices.
Demographics

Demographics Summary

Hartman Middle School's demographics consist of two populations, African American and Hispanic. The Hispanic population makes up 77% of all students, and the African American population makes up 23%. Our priorities include increasing reading comprehension on STAAR for all subgroups by providing targeted small group instruction based on formal and informal assessments. Teachers and instructional leaders will identify and address individual student learning needs and supports. This process will improve first-time instruction by aligning lesson plans, assessments, and interventions. Hartman Middle School will increase student performance at the approaches, meets, and master's levels. Teachers and instructional leaders will improve instruction by modeling expectations, implementing higher-level questioning strategies, and scaffolding instruction to meet individual student needs. There will be an intentional focus on brick-and-mortar vocabulary strategies, sentence stems, and visuals to support English language learners. Hartman Middle School offers various data-driven programs to address student needs, regression, and learning loss. These programs consist of grade-level advanced placement classes, intervention classes that support Reading, Math, and English Language learners. The champion leadership team will model, practice, support, and provide targeted feedback to improve instruction. Teachers will engage in professional development opportunities, analyze data and build content knowledge during PLCs.

Demographics Strengths

Campus attendance increased from 77% to 83.4% during the 2020-2021 school year based on evidence from Power School attendance.

Problems of Practice Identifying Demographics Needs

Problem of Practice 1: English language learners are not exiting the LPAC process before entering the 9th grade. Root Cause: The campus has not effectively executed the implementation and the proper alignment of ELPS objectives with fidelity and built-in strategic checks.
Student Learning

Student Learning Summary

The evidence from STAAR data indicates that all students earned 43% at approaches, 19% at meets, and 7% at masters on all tests. STAAR Reading data indicates that all students earned 49% at approaches, 23% at meets, and 7% at masters. The STAAR Math data indicates that all students earned 41% at approaches, 15% at meets, and 5% at masters. The STAAR 7th grade Writing data indicates that all students earned 39% at approachers, 14% at meets, and 2% at masters. The STAAR 8th grade Science data indicates that all students earned 53% at approaches, 32% at meets and, 19% at masters. The STAAR 8th grade Social Studies data indicates that all students earned 26% at approaches, 4% at meets, and 1% at masters. The evidence from STAAR indicates that African American students outperformed Hispanic students in 7th-grade STAAR Writing and 8th-grade STAAR Science. The Hispanic students outperformed African American students in STAAR Reading, Math, and 8th-grade STAAR Social Studies. The evidence from STAAR indicates that Special Education students earned 28% at approaches, 22% at meets, and 7% at masters. The English language learners that are current and monitored earned 43% at approaches, 18% at meets and, 6% at masters.

Student Learning Strengths

Student learning strengths include an increase in technology applications. The partnership with Verizon has improved our students ability to leverage technology to build foundational learning skills. Students are now able to communicate with each other through approved digital platforms. As the year progresses, students will gain the mental muscle memory which will build confidence, academic growth and stem proficiency.

Problems of Practice Identifying Student Learning Needs

Problem of Practice 1: Student achievement and severe learning loss has occurred due to the Covid-19 pandemic, low student achievement and teacher burnout. Root Cause: The campus leadership team has not shown the consistency in evaluating academic programs, providing feedback to teachers in a timely fashion, documenting evidence and building teacher capacity with fidelity.
School Processes & Programs

School Processes & Programs Summary

Hartman is a Health Medical Science Dual-Language STEM Middle School. The master schedule provides support for interventions, decreases learning loss, and increases student achievement. Students who failed STAAR or did not take STAAR will take intervention classes that support reading and math development. Instructional materials were purchased to support reading and math interventions as well as afterschool tutorials. Content PLCs occur every Tuesday. The lesson plan vetting template is an instructional tool used to plan high-engaging lessons, activities and leverage small group instruction. Consistent monitoring, coaching, and feedback cycles Teachers will receive consistent coaching and feedback to ensure that students receive high-quality tier-one instruction. The CIT will be instrumental in modeling high-impact instructional strategies and training teachers to leverage technology in the classroom, build student confidence and voice while increasing stem/tech proficiency. Based on evidence from school surveys, teacher morale is low. Hartman has a campus culture team and a student reward system. Building teacher morale and celebrating success early and often will build positive campus culture. Hartman middle school is committed to promoting leaders from within the building. Career Pathways is a leadership opportunity, which provides structured coaching, development empowerment that builds leadership capacity, thus adding value to the school.

School Processes & Programs Strengths

The instructional program was not strong at the beginning of the school year. There was lack of consistency and low expectations. The campus began to build momentum based on explicit coaching and feedback for the school support officer. The systems needed to be tighter and the action steps prescribed should have been bite-sized. The leadership team began to consistently modeling best practice, vetting lessons, providing feedback and holding teachers accountable for all campus instructional expectations. Small group instruction will continue to be a focus. Teachers have accepted the challenge of receiving coaching and feedback to improve individual performance.

Problems of Practice Identifying School Processes & Programs Needs

Problem of Practice 1: Student progress monitoring was not consistently maintained due to the Covid19 pandemic hybrid model and attendance. Root Cause: The lack of consistency and support to ensure students were actively participating in the hybrid educational model set forth by the district.
Perceptions

Perceptions Summary

The perception from within the building was not positive during the 2020-2021 school year. Teachers did not feel supported by the leadership team. The culture of Hartman Middle School is improving for the 2021-2022 school year. The building has been updated with murals that support the campus mission and vision while celebrating teacher, student, and staff success. Teachers and staff are celebrated for creativity, implementation of instructional strategies, and personal success. Students are adjusting to face-to-face instruction and social interactions. The campus climate continues to be a priority by providing surveys regarding professional development and other campus activities. The data from the surveys will support planning and reflection on instruction, student engagement, and parent perceptions. The core values of the campus include five fundamental areas, character, honor, attitude, motivation, pride, and sacrifice. Character reveals who you are in victory, defeat or how you respond to adversity. Honor is a trait that determines if a person is trustworthy. Attitude determines how high you will fly in life. Motivation is a choice. Do you want to reach your goals despite adversity or personal hardships? Pride represents what you hold dear to your heart, and sacrifice is the dedication required to finish your race.

Perceptions Strengths

Hartman Middle School is committed to celebrating students, teachers, and parents. The perceptions of parents are very important to the growth, development of the school. Parents can get problems resolved in an efficient manner. Students enjoy coming to school and fellowshipping with their friends. The extra-curricular activities and after school programs have been a positive advertisement for the school. The parents perceive that the school is safe by the actions of the leadership team, teachers, officers, and students. Parents model conflict resolution skills during meetings where students have disagreements. Students can use a different approach when they do not agree with opinions or actions. The strategies that are implemented to model SEL strategies provide parents with a sense of trust and belonging.

Problems of Practice Identifying Perceptions Needs

Problem of Practice 1: The teacher moral and school culture has declined leading teacher burnout, high absentee rate, and turn over. Root Cause: Areas of concern based on surveys, teachers do not feel supported, a disconnect between leadership and faculty, not celebrated and lack of clear communication.
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- State and federal planning requirements

**Accountability Data**
- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
  - Domain 1 - Student Achievement
  - Student Progress Domain
  - Domain 2 - Student Progress
  - Closing the Gaps Domain
  - Domain 3 - Closing the Gaps
- Targeted support Identification data
- Accountability Distinction Designations

**Student Data: Assessments**
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR released test questions
- STAAR EL progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- PSAT
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Apex Learning accelerated reading assessment data for English I and II (TEA approved statewide license)
- Running Records results

**Student Data: Student Groups**
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Special education/non-special education population including discipline, progress and participation data
- EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender, etc.
- STEM/STEAM data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data
• Dual-credit and/or college prep course completion data

Student Data: Behavior and Other Indicators

• Completion rates and/or graduation rates data
• Annual dropout rate data
• Attendance data
• Mobility rate, including longitudinal data
• Discipline records
• Violence and/or violence prevention records
• Tobacco, alcohol, and other drug-use data
• Student surveys and/or other feedback
• Class size averages by grade and subject
• School safety data
• Enrollment trends

Employee Data

• Professional learning communities (PLC) data
• Staff surveys and/or other feedback
• Teacher/Student Ratio
• State certified and high quality staff data
• Campus leadership data
• Campus department and/or faculty meeting discussions and data
• Professional development needs assessment data
• Evaluation(s) of professional development implementation and impact
• Equity data

Parent/Community Data

• Parent surveys and/or other feedback
• Parent engagement rate
• Community surveys and/or other feedback

Support Systems and Other Data

• Organizational structure data
• Processes and procedures for teaching and learning, including program implementation
• Communications data
• Capacity and resources data
• Budgets/entitlements and expenditures data
• Study of best practices
• Action research results
Board Goals

Board Goal 1: ELAR The percentage of 3rd grade students performing at students reading and writing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase 8 percentage points from 42% in spring 2019 to 50% in spring 2024.

Goal 1: ELAR

Strategic Priorities: Expanding Educational Opportunities

Summative Evaluation: No progress made toward meeting Goal

**Staff Responsible for Monitoring:** Attendance Clerk and MCD Liaison

**Action Steps:** 1. The Attendance Clerk will generate a list of students with 20% or more absents full school days and give to the Liaison. 2. The Liaison will connect with families to see if they will sign up with their Program to support them in the student reducing their absences along with any challenges preventing them from coming to school.

**Title I Schoolwide Elements:** 2.4, 2.6, 3.1, 3.2 - **TEA Priorities:** Recruit, support, retain teachers and principals, Build a foundation of reading and math - Comprehensive Support Strategy - Targeted Support Strategy
Board Goal 5: N/A - Additional Campus Goals

Goal 2: DISCIPLINE

Strategic Priorities: Ensuring Student Health, Safety and Well-Being, Increasing Organizational Efficiency

Summative Evaluation: Exceeded Goal

Board Goal 5: N/A - Additional Campus Goals

Goal 8: COORDINATED HEALTH PROGRAM (ES, MS and K-8 Campuses)
The campus will provide a Coordinated School Health Program designed to prevent obesity, cardiovascular disease, and Type 2 diabetes by coordinating health education, physical education, physical activity, nutrition services and parental involvement.

    Strategic Priorities: Ensuring Student Health, Safety and Well-Being
    Summative Evaluation: Some progress made toward meeting Goal
**Board Goal 5:** N/A - Additional Campus Goals

**Goal 9:** OTHER UNMET (If applicable)
State Compensatory

Budget for 051 Hartman Middle School

Total SCE Funds: $22,533.00
Total FTEs Funded by SCE: 3

Brief Description of SCE Services and/or Programs

The state compensatory funds will be used to support campus tutorials, HB4545 requirements and resources for intervention for reading and math. The tutorials will support students that need additional instruction to close gaps. The funds will also address the 30 additional hours that students need to build academic strength for STAAR and district assessments.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

All schools develop comprehensive needs assessments as part of the planning and decision-making process. Title I schools have additional responsibilities to ensure that the plans and decisions regarding the use of federal dollars align with program requirements and the needs of students. The comprehensive needs assessment (CNA) at this campus was a collaborative effort. Priority needs for Hartman Middle School consist of increasing reading comprehension for all subgroups, targeted small group instruction based on formal and informal assessments, teachers identifying and addressing individual student learning needs thus improving first instruction with alignment of lesson plans and assessments. Another priority need at Hartman Middle School is to focus on students at the meets/master’s level and adjust instruction by improving higher level questioning techniques and scaffolding instruction. Hartman Middle School offers various programs driven by data to address students' needs. These programs consist of grade level courses, pre-Advanced placement classes, intervention classes for Reading and Math, ESL program, Special education program and Medical Science Magnet program. The champion leadership team will model, practice, support and provide feedback, ensure safety for all children, utilize data to drive small group instruction, build content knowledge during PLC’s and communicate universal schoolwide systems for best practices.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The school improvement plan is developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders. Stakeholders were involved with the development of this plan in the following ways:

1. Use of technology and blended learning to support all learners
2. Strategically leverage time and resources (i.e. enhancing class time/master schedule)
3. Helping students develop skills to manage their emotions and make responsible decisions through social and emotional learning.
4. Strengthen teacher/staff professional development, specifically small group instruction and technology engagement.
2.2: Regular monitoring and revision

Regular monitoring of the strategy implementation funded through Title I resources occur in addition to the formative reviews required by this improvement plan. At our campus, regular monitoring of the implementation of strategies and students' progress includes Formative and summative assessments, common assessments, district assessments and state assessments, teacher/student parent climate surveys progress monitoring and data analysis.

2.3: Available to parents and community in an understandable format and language

The school improvement plan is available to parents in the following locations: Campus and school website.

The school improvement plan will be made available to parents by: September 30, 2021, upon SSO approval.

We provide the SIP to parents in the following languages:

- English
- Spanish

2.4: Opportunities for all children to meet State standards

Opportunities for all students to meet the TEKS include these schoolwide reform strategies:

- Building an intentional master schedule
- High quality tier-one instruction
- Targeted interventions and supports
- Targeted weekday and weekend instruction and tutorials to address learning loss
- HB4545 instructional support
- Small group instruction
- Leveraging technology to support instruction

2.5: Increased learning time and well-rounded education

Ways that we increase learning time and a well-rounded education for our students include:

- Building an intentional master schedule to support all learners
- Providing high-quality Tier 1 instruction
- Planning with the end in mind
- Structured PLC's
2.6: Address needs of all students, particularly at-risk

An important campus focus is on schoolwide reform strategies that provide opportunities for all students, particularly those students who are at risk of not meeting the challenging State academic standards at advanced and proficient levels of student achievement. The strategies provided are based on evidence-based research to increase achievement for each student group on state tests and other assessments. Examples include the following:

- Building teacher capacity in their content areas and instructional areas
- Proficient Tier 1 explicit instruction taking place in all content areas
- Bi-weekly AT BATs
- Small Group Instruction based on student data needs

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

The following individuals, including roles (parents, teachers, admin, etc.) assisted with the development of the Parent and Family Engagement Policy:

- Parent - April Ortiz (PTO President)

The PFE was distributed weekly by HISD. Hartman Middle School received the following items weekly:

- Masks
- Disinfectant wipes
- Gloves
- Gowns

Four strategies to increase Parent and Family Engagement include:

- Clear communication of goals and outcomes
- Clear expectations from all stakeholders
- Engaging activities
- Creating viable partnerships with the parents

3.2: Offer flexible number of parent involvement meetings

The campus provided four Title I Parent Meetings and each meeting had an alternate time/date to accommodate parents' schedules. The meeting dates are listed below:

- Meeting #1 - September 3
- Meeting #1 Alternate -
• Meeting #2 - September 15
• Meeting #2 Alternate -
• Meeting #3 - October 10
• Meeting #3 Alternate -
• Meeting #4 - November 17
• Meeting #4 Alternate -

SIP APPROVAL 2021-2022

School Name and Campus #: Hartman Middle School #051

Principal Name: Gerrol Johnson

Area Office: Middle Schools Office

Please print this document and complete.

This School Improvement Plan (SIP) was developed according to the procedures described in this document. The final draft of the plan will be submitted to the Shared Decision-Making Committee (SDMC) on 10/15/21 as evidenced by the SDMC agenda. Through the SDMC, the SIP was reviewed with parents, community members, and the school’s professional staff. In addition, the plan will be presented to the professional staff for a vote.
