Health Science Technology Education 2021-2022

Syllabus

Charles H. Milby High School
1601 Broadway Street
Houston, Texas 77012

Instructor: Jose Chavez-Madrid
Telephone: 713-928-7401
E-mail: Jose.chavezmadrid@houstonisd.org
Room: 1264

Conference Time: 3rd Period - Please call or e-mail to schedule an appointment.

Practicum in Health Science (2 Credits)
Health Center 21 & Textbook Diversified Health Occupations- By Louise Simmers.

The Practicum in Health Science course is designed to give students practical application of previously studied knowledge and skills. Practicum experiences can occur in a variety of locations appropriate to the nature and level of experience. The major reason students take a practicum is to provide additional time on task for learning specialized skills.

Health Science Theory (2 Credits)
Health Center 21 & Textbook Diversified Health Occupations- By Louise Simmers.

The Health Science Theory Course is designed to provide for the development of advanced knowledge and skills related to a wide variety of health careers. Students will employ hands on experiences for continued knowledge and skill development.

Principles of Health Science (1 Credit)
Health Center 21 & Textbook Diversified Health Occupations- By Louise Simmers.

The Principles of Health Science Course is designed to provide an overview of the therapeutic, diagnostic, health informatics, support services, and biotechnology research and development systems of the health care industry.
Medical Terminology (1Credit)

Health Center 21 & Textbook – Introduction to Medical Terminology

The medical Terminology course is designed to introduce students to the structure of medical terms, including prefixes, suffixes, word roots, singular and plural forms, and medical abbreviations. The course allows students to achieve comprehension of medical vocabulary appropriate to medical procedures, human anatomy and physiology and pathophysiology.

Classroom Rules:

• Be on time to class
• Be prepared with computer, class supplies and an open mind for LEARNING
• Respect one another
• No Cell phone usage during class time
• No eating in class

Consequences for Violations of Norms:

• First offense – Verbal Warning
• Second Offense- Contact parents/ detention
• Third Offense- Referral to Assistant Principal

Note: Students without school IDs and students out of school uniform will be immediately sent to the Assistant Principal.

Grading Policy
Class Work  45%
