HOME LANGUAGE SURVEY

19 TAC Chapter 89. Subchapter BB. §89.1215 (Home Language Survey applicable ONLY if administered for students enrolling in prekindergarten through grade 12)

TO BE COMPLETED BY PARENT OR GUARDIAN FOR STUDENTS ENROLLING IN PREKINDERGARTEN THROUGH GRADE 8 (OR BY STUDENT IN GRADES 9-12): The state of Texas requires that the following information be completed for each student who enrolls in a Texas public school for the first time. It is the responsibility of the parent or guardian, not the school, to provide the language information requested by the questions below.

Dear Parent or Guardian:

To determine if your child would benefit from Bilingual or English as a Second Language program services, please answer the two questions below.

If either of your responses indicates the use of a language other than English, then the school district must conduct an assessment to determine how well your child communicates in English. This assessment information will be used to determine if Bilingual or English as a Second Language program services are appropriate and to inform instructional and program placement recommendations. If you have questions about the purpose and use of the Home Language Survey, or you would like assistance in completing the form, please contact your school/district personnel.

For more information on the process that must be followed, please visit the following website: https://projects.esc20.net/upload/page/0081/docs/JuneUpdates/EnglishLearnerIdentification-ReclassificationFlowchart.pdf

This survey shall be kept in each student's permanent record folder.

SOCIOECONOMIC INFORMATION FORM

Complete and return one form to each school where you have a child enrolled. **Print using a pen.**

CONFIDENTIAL - For HISD purposes only

Houston ISD is required to collect the socioeconomic status of each student as a performance indicator for student achievement (TEC § 39 for Texas state requirements and ESEA §§1111 and 1116 for U.S. Department of Education requirements) and for use in disbursement of federal funds (ESEA §1113). This information is not shared with outside agencies.

It is very important that families complete this socioeconomic form in order for schools to receive Title I and State Compensatory Education funding. This funding will directly benefit your child's school. Title I and State Compensatory Education funding can be used to hire personnel, provide tutoring services, order technology, and provide professional development for teachers. We want to continue to provide these necessary learning supports, but without your assistance we may not be able to.
