Important Timelines

Applications for the 2020-2021 are now available!

• **Phase 1 (September 19 – November 6, 2020)** All qualified in-district applications received during this phase will be entered into lotteries or be offered auditions.

• **Phase 1 (November 7 – February 26, 2021)** All qualified in-district applications received during this phase will be considered on a first-come, first-served basis, if space is available.

• **Phase 3 (February 27, 2021)** During this time only in district applicants new to HISD and out-of-district applications will be considered on a first-come, first space is available.
Before you apply...

Step 1.

- Consider how you will rank your choices. Families can select up to 10 school programs, with a maximum of 5 magnet programs. (Please note that, each high school CTE pathway chosen is considered a separate application/choice).

Step 2.

- Visit www.HISDChoice.com to apply online.
- Paper applications are available online, at any school, or from the Office of School Choice.
- Online applications provide more options for tracking and staying up-to-date.
- Make sure to sign and submit your applications.
Step 3.

- All program Choice applications will require documentation.
- Please be on the lookout for emails or phone calls related to your application.

Step 4.

- By midnight on January 30, 2020, notification of acceptance for Phase 1 applicants. Status will be viewable online, and letters will be sent to all parents via USPS mail.

- By midnight on March 9, 2020, notification of acceptance for Phase 2 applicants. Status will be viewable online and via email.

- By midnight on May 1, 2020, notification of PK Phase 1 acceptance for Phase 1 applicants. Status will be viewable online and via email.
How to apply for Long Academy Program.

• Open this link, create an account, then you can start the application.
• [https://hisdchoice.com/login](https://hisdchoice.com/login)
• Start the application now, that gives you time to gather documents, if needed and make corrections.
Benefit #1: The Allied Health Magnet School is an exciting program where students learn about and prepare for Health Science and Allied Health Science careers. With a research-based and hands-on curriculum, students are involved in their own learning every step of the way.
Benefit #2: The School of Pharmacy Technology prepares students for the growing pharmaceutical industry by providing them with the clinical and business skills needed to work successfully alongside pharmacists and physicians.
Benefit #3: Pharmacy Technician—an Associate’s degree with 60 plus college hours and PTCB certification as a Pharmacy Technician. Benefit #4: Get you a head start on a road to a Bachelor’s degree in any field.
