Dr. Tabitha Davis, Principal

**Site Based Decision Making Meeting  
January 26, 2020 4:15 p.m.**

The meeting was called to order at 4:15 p.m. by Principal Davis.

Members in Attendance:

- Tabitha Davis, Campus Principal
- Maria Nelson, Elementary Counselor
- Monique Wallace, Secondary Counselor
- Y'vonne McFadden, School Nurse
- Astrid Dennis, School Secretary
- Alfredia Guillory, Teacher
- Marcus Wilmore, Teacher
- Alesia Myers, Parent

Items of Discussion:

● Attendance

o Our attendance has been adversely impacted this year although we have issued technology to all students, conducted home visits, and initiated attendance contracts

o In order to encourage daily student attendance, we use incentives to reward those who have perfect attendance

- Perfect attendance scholars received free passes to Whataburger and Jason's Deli
- Perfect attendance scholars were entered into a drawing for a shopping spree at Target
  - o Six scholars received a shopping spree for clothing, toys, and games
- Teachers also offer rewards to scholars with perfect attendance, such as dropping the lowest assignment or quiz grade and gift cards to McDonald's, Sonic, and Chick-Fil-A

● Cycle 3 Grades

o Fun & engaging lessons help motivate scholars to complete assignments

o It's important to have students move as much as possible during the lessons rather than engaging in stationary work only

o Students are not completing the asynchronous work in the prescribed window of time

o Students are reluctant to turn their cameras on during class, especially secondary scholars

- Devices

- o 99% of students have been issued a device for schoolwork
- o Many of our scholars have damaged their school-issued devices and some are now inoperable
- o Online STAAR-testing - scholars must bring their school-issued devices for the assessments, students are required to test on campus
- o If school-issued devices are damaged, they need to be brought to campus for repairs ASAP and this needs to be completed in time for STAAR
  - The online testing window has been extended the 2020-2021 school year

- District-Level Assessments

- o Math DLA did not occur on Tuesday, January 26<sup>th</sup> due to a system-wide outage (Amazon server)
- o We will attempt to resume testing tomorrow based on accessibility to OnTrack

- Covid Testing for Staff

- o Available on the 2<sup>nd</sup> & 4<sup>th</sup> Friday of each month with Nurse McFadden
- o Six staff members have been tested so far
- o Staff members are signing up now for the February 12<sup>th</sup> test date
- o The Health & Medical Services Dept is working on a mass vaccination event for HISD employees
  - Info will be shared with staff as soon as it is received from HMS
