ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment
All schools develop comprehensive needs assessments as part of the planning and decision-making process. Title I schools have additional responsibilities to ensure that the plans and decisions regarding the use of federal dollars align with program requirements and the needs of students. The comprehensive needs assessment (CNA) at this campus was developed by the campus staff and was led by the principal during the beginning of the year goal setting process.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders
The SIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders. Stakeholders were involved with the development of this plan in the following ways:
Stakeholders provided input on the development of the SIP during pre-planning sessions in early August and all staff was involved in data analysis, and goal-setting during the first day of pre-service in preparation for the new school year. Additionally, parents provided feedback on the campus priorities after Open House.

2.2: Regular monitoring and revision
Regular monitoring of the strategies funded through Title I occur in addition to the formative reviews required by this improvement plan. At our campus, regular monitoring of the implementation of strategies and students’ progress includes a review of initiatives by the campus SDMC and Instructional Leadership Team during the designated times throughout the school year. The reviews by the SDMC occur every cycle, and ILT/Staff review of the SIP occurs every nine weeks.
