

Matrix Scores

Definition & How to Calculate

**In 8th grade you will receive a matrix score based
on your 7th grade year**

**Your matrix score measures your performance as a student in your
7th grade year.**

What is a matrix score?

Your matrix score tells other schools what kind of student you are.

This is based on the following:

**Average of Grades + Math STAAR+
Reading STAAR + Considerations**

How many points do I get?

Average of Grades + Math STAAR+ Reading STAAR

Magnet Matrix Options for 2023-2024 Applications

(*Highest Score of Two Options will be applied)

Student Name:	ID #	DOB
---------------	------	-----

STAAR Option

Academic Grades (Average for core classes only for 2021-2022)					
90 – 100 60 points	80 – 89 50 points	75 – 79 40 points	70 – 74 30 points	Below 70 0 points	Points
Enter the total points for STAAR or For Iowa/Logramos are used, whichever is higher					
STAAR Scores (2021-2022 First Administration)					
Reading	Masters 20 points	Meets 15 points	Approaches 10 points	Did Not Meet 0 points	Points
Math	Masters 20 points	Meets 15 points	Approaches 10 points	Did Not Meet 0 points	Points
Total Points for STAAR					Total Points

How was my score calculated?

Average of Grades + Math STAAR+ Reading STAAR

Example: Student A

Math: 75

Reading: 83

Science: 76

Social Studies: 88

Average: 80.5

Math	Masters 20 points	Meets 15 points	Approaches 10 points	Did Not Meet 0 points	Points
Total Points for STAAR					Total Points

Option 2: Core Only

Example: Student A

Math: 75
Reading: 83
Science: 76
Social Studies: 88
Average: 80.5

= 85 points

+

Possible Considerations
(10 points): Low
Socioeconomic Status

= 95 points

Core Only Option					
Academic Grades (Average for core classes only for 2021-2022)					
90 – 100 100 points	80 – 89 85 points	75 – 79 65 points	70 – 74 50 points	Below 70 30 points	Points
Considerations					
LEP, 504, Special Education, or low SES 10 points					Points
Total points for Matrix Sum of Academic Grades and Considerations					

Takeaway

You want the highest score possible. Raise your average & do well on STAAR

You will get a new score at the end of the year based on THIS YEAR. There is no do-over in 8th grade.
