Prerequisites for course requirements:

- Students in middle school may fulfill **fine arts, physical education (TAC §74.3(a)(1)) and/or elective requirements** for promotion by successfully completing one or more of the MS DNC courses: i.e., MS DNC1, 2, 3 (one credit = full year over consecutive semesters), if a teacher is dually certified in dance and physical education content areas.
- Dance Ensemble 1, 2, 3 are advanced middle school dance courses, designated for the dance team, dance ensemble, or dance company. Audition is required, approval and signature by the teacher of record required. *Note: Dance Ensemble 1-3 courses should not be combined at the same time with Middle School Dance 1-3 courses.
- All Dance 2 level courses require 1 year of prerequisites. All Dance 3 level courses require 2 years of prerequisites.
- Scheduling examples: Middle School Dance 1 is a beginning dance course, and Middle School Dance 2 and 3 (as intermediate courses) shouldn't be scheduled at the same time as a beginning dance course. Middle School Dance 2 and 3 courses could be combined, if necessary.
- If students enter the program with dance experience (or desires to audition during middle school) students may audition for the Dance Ensemble course where all three sections are scheduled/offered: Dance Ensemble 1, 2, 3). Approval and signature by the teacher of record must be obtained before the student is advanced.
