Notes for SDMC:

2024-2025 Action Plan discussion

Teachers aware of plan, specifically SpEd Chair

---

TES discussion

Videos shown

Materials for TES options provided

Questions:

- 1.) How do SpEd support teachers fit in?
- 2.) Can teachers be involved in creation of Campus Action Plan?

Teachers between options A & B

Chose option B as lower percentage for Campus Action Plan

Felt options D & E were geared more towards HS and more unknown. As PK & K teacher, not having a survey or not knowing what percentage would be required it does not fit for elementary.

Option E not as flexible and would not know what to add for the 5-10%
