- In order to take the IB Math classes in 11th and 12th grades, students must have completed Algebra 1, Geometry, and Algebra 2 before 11th grade.
- Students currently in Algebra 1 as 9th graders have the opportunity to take Geometry at Lamar HS in summer school, with a grade review and approval by their Academic Dean.
- There MAY BE a fee for the summer school class, which will be determined by the district late in the Spring semester.

Testing Updates

11th grade SAT

All current Lamar 11th graders took the SAT, for free, **Wednesday, April 2, 2025**. Scores will be available through the students' College Board accounts about May 1st.

STAAR EOC Exams – Save the Dates

STAAR EOC exams will be administered on the dates listed below. All students are required to take and pass the five STAAR End of Course (EOC) exams before graduating. All STAAR exams are administered through the online testing platform and students will test using their HISD issued Chromebook. If your child's Chromebook or charger is missing or broken, it is critical that they go to the Lamar IT Office (N215) immediately.

Practice Online STAAR EOC exams can be viewed [here](#). All STAAR EOC tests will begin at 8:30 AM. Rosters will be posted in the hallway telling students where to report for testing. The STAAR test is not timed, so students have until the end of the school day to finish their test, if needed. All students not testing will follow a regular bell schedule.
