## Principal's Corner

One of the great joys of my role at Lamar is that I have the pleasure of reading the performance review documents for our students who participate in a job-based practicum. Let me tell you more. During a student's senior year, they may choose to take a classroom-based 4<sup>th</sup>-year course for their career strand, or they may choose to engage in the job-based practicum. Most of our practicum options are paid internships, giving out students an opportunity to earn while gaining work experience in their chosen field of studies. Students graduate from Lamar with not just job experience, but also a solid reference to list on their resume.

I want to shout-out a few things I read about our students this morning –

“Li\*\*\*\*\*’s work ethic is one that can’t be taught. Her ability to find something to do and to stay busy is amazing. When I first met her, she was very shy and to herself. Over the time of her working, she has opened up and become a leader. Customers love her also. They always give a compliment about her when she done helping them.”

“El\*\*\* has shown a dedication unusual for her age. She is punctual and always ready to work.”

“Ta\*\*\* You’ve been bringing you’re a game to work this quarter. Your efforts don’t go unnoticed; they’re inspiring!”

“Al\*\*\*\* has won partner of the quarter. She exemplifies what it means to be a team player while also maintaining quality standards. I feel that I am truly lucky to have her on my team.”

We are fortunate to have so many partners in this work. When you visit some of these locations, take a moment to say “thank you for hiring Lamar students”.

## Welcome New Team Members

**Dr. Safia Khatri, Academic Dean 9C & 9D** [Safia.Khatri@houstonisd.org](mailto:Safia.Khatri@houstonisd.org)

My name is Dr. Khatri, and I am excited to serve as the Academic Dean at Lamar High School. I have a wonderful family with four children—one in college, two in high school, and one in elementary. My husband is a science teacher at a high school, and we recently adopted a one-month-old puppy named Nyx, after the Greek goddess of the night.

My career began as a researcher, focused on developing novel techniques to reprogram stem cells in order to help patients with genetic disorders. After publishing five papers and achieving success in this field, I transitioned into education, driven by a passion for serving the community and making a meaningful impact on students' lives.

Since 2013, I have worked in education, starting as a substitute teacher in Fort Bend ISD and later teaching in Houston ISD. During this time, I quickly recognized the need to motivate and support students facing academic challenges. My approach centers on understanding the unique needs of each student, from cognitive and emotional challenges to motivational issues. I am dedicated to helping all students, especially those in need of extra support, thrive academically.

In my new role at Lamar High School, I will continue my commitment to fostering student success through personalized support for both students and teachers. I am excited to be part of the Lamar community and look forward to making positive contributions to our school.

**Timothy Nguyen, 9C Mathematics Teacher** [Timothy.Nguyen@houstonisd.org](mailto:Timothy.Nguyen@houstonisd.org)

Howdy! My name is Timothy Nguyen. I graduated from Texas A&M University with a B.A. in Mathematics. I completed my student teaching in Bryan, TX and chose Lamar High School in Houston ISD as my first teaching position! I'm in neighborhood 9C.

I love Aggie football. I ran Track and Field in High School with the 110m and 300m hurdles! I was also a cadet officer in my school's Navy JROTC program. In college, I served as Vice President for the Vietnamese Students Association. I still have a lot to learn and will work to grow in wisdom. Thank you all for welcoming me to my first week here at Lamar.

Heather Clary, CTE Teacher, Business

I hold a Master of Education in Educational Administration and certifications in K-12 leadership, social studies, business education, and ESL, with additional training in cybersecurity and bilingual education. My teaching career spans multiple school districts, where I've developed curricula, supported educational programs, and guided students in academic and career development. With international experience living in Europe, the Middle East, and Africa, I bring a global perspective that enriches my teaching approach. Beyond my instructional roles, I've contributed to program development, fiscal management, and staff professional development. I am committed to fostering inclusive, innovative learning environments that support the success of every student. Outside of work, I enjoy rowing, ice-skating, and quilting.

Testing Updates

STAAR EOC Retests – Begin December 3

Identified students are scheduled to take the STAAR EOC (End of Course) exam December 3<sup>rd</sup> – 9<sup>th</sup>. Students who previously failed an EOC or who were absent during testing last year, will have an opportunity to take the needed EOC. Students and parents were emailed testing reminders last week. Students must pass all five STAAR EOC tests to meet graduation requirements. The next opportunity to retake these tests will be in April 2025. All STAAR EOC tests are administered on the computer. Students must bring their fully charged Chromebook and charging cable to their assigned testing room at 8:30 AM on the day listed below. If you have any questions, please email your child’s Academic Dean or Ms. Walton, the Campus Test Coordinator, at [swalton@houstonisd.org](mailto:swalton@houstonisd.org).

October 2024 PSAT/SAT Results

Results from the October 2024 PSAT and SAT are posted in the College Board system at <https://studentscores.collegeboard.org/>. To see your child’s scores, please have them log into the College Board website using their College Board account credentials. If your child has never created an account before, s/he will need to [Create a College Board account](#) first.

AP Exam Registration

All students taking AP classes (AP World History, AP Computer Science Principles, AP Precalculus) have been registered to take the corresponding AP exam in May 2025. HISD pays the registration fee for these AP exams. Any AP student who does not take their AP exam will be charged and have to pay the \$40 non-use fee charged by the College Board.

Texas High school Coaches Association Academic All-State Recipients

Congratulations to our Texan football players! The Texas High School Coaches Association is proud to recognize the 2024-2025 Academic All-State Recipients.

- Cole Mansour -ELITE
- William Rosenfeld -1st Team
- Deshawn Fisher -2nd Team
- Dominic Amador -2nd Team
- Antonio Mendieta -2nd Team
- Danny Stein -Honorable Mention
- Duro Dina -Honorable Mention
- Jayden House -Honorable Mention

We understand that students' performance in the classroom can sometimes be difficult to manage while participating in athletics, but their hard work has not gone unnoticed. The THSCA Academic All-State Teams recognize SENIOR high school athletes, trainers and managers who excel in the following categories: GPA, class rank and ACT/SAT score. We applaud them for their commitment and dedication to perform with the highest of excellence academically and on the field.

The best team a player can make is the Elite Team which requires a near perfect score in all categories.

# **BIG BRIGHT**

## Fall Giving Campaign

As we celebrate this season of giving and thanks, the Lamar PTO would like to say “thank you” to everyone who has contributed their time, money, and energy to support the students, faculty, and staff at Lamar High School. While we are truly thankful for every dollar donated to the PTO, we still have a long way to go to reach our revenue goals, allowing the PTO to continue to support the programs that we have historically funded each year. As you probably know, Lamar HS has had significant budget cuts this year, making your donation dollars critical for funding all the learning tools your student's teacher relies on every day! **Currently, we need an additional \$40,000 to ensure we reach our \$75,000 fundraising goal.**

In the spirit of Thanksgiving, the PTO is launching the Fourth Annual “Big & Bright Fall Giving Campaign” **from Tuesday, November 19 to Thursday, November 21** to help raise enough revenue to fully fund the following programs:

- Teacher wish list and instructional tools including IB curriculum support software, classroom supply needs, science lab instruction materials, writing support programs, fine arts supplies/instruments and athletic equipment.
- Teacher appreciation projects and staff meals which help motivate and thank our hard-working teachers.
- Senior class activities such as LHS Fest and senior treat day.
- Campus improvements and beautification projects which help provide an optimal learning environment for our students.
- Technology in the classroom – cameras, iPads, printers and audio/visual equipment which help to ensure that our teachers have the most up-to-date technology to serve our students.

Please consider donating to the [Big & Bright Fall Giving Campaign](#) (click the link to donate). No amount is too big or too small, and all donations will be used to directly support the programs listed above. If your student is an alumni, please consider donating to support your local school! If you have already donated, consider matching your donation through our corporate matching program here: [Match Your Donation](#)

Own or know a business that would like to partner with our PTO and assist with helping us fund these programs? Become a sponsor of Lamar Texans by donating to our [Corporate Giving Campaign](#). All donations are tax deductible through the Lamar High School PTO tax ID 76-0500049. Thank you for your donations!
