Tatiana Nwosu’s will be playing Field Hockey in college at Worcester Polytechnic Institute. She will not be running track and field.

National Honor Society

Invitations to apply to the National Honor Society at Lamar High School were emailed to eligible students this week (please see below for requirements to join NHS). Students who are invited to apply for membership must complete and submit the application and essay by Thursday, March 6th, to be considered for membership.

Please check your email for updates from the NHS Faculty Sponsors, Mr. Toscano and Ms. Watson. Additional information about the National Honor Society at Lamar can be found below and on the Lamar Website.

What are the requirements of being a member of the National Honor Society?

Members with grade point averages equal to or above 3.7 will undergo holistic review and be admitted based on outstanding scholarship, service, leadership, and character, which is exemplified by your application essay, extracurricular participation, and community service. You must also not have any conduct grades of a "P" or lower.

As an NHS member, what will I be expected to do?

Members of Lamar's National Honor Society include some of Lamar's finest scholars, leaders, and role models. In order to remain eligible as a member, you will be expected to complete 12 hours of community service each semester and attend bimonthly meetings, held before, during, or after school. In addition, members must maintain a consistent GPA of 3.7 or above and receive a conduct grade no lower than satisfactory.

We are excited to welcome a new class of students to the National Honor Society!

The application is due Thursday, March 6th at 11:59 PM. For any questions contact Mr. Toscano in 11B or Ms. Watson in 11A.

Math Summer Camp

The Young Summer Math Days is a fun and educational program for all high school students entering grades 10-11 in the Fall of 2025. The idea is to introduce the students to a variety of interesting topics in mathematics, like mathematics in art, mathematics in car racing, mathematical modeling in biology, mathematical analysis, parallel computing, toys and mathematics etc. A number of dedicated faculty and graduate students in the departments of Computational Applied Mathematics and Operations Research have enthusiastically agreed to give lectures and hands-on workshops on these and other topics. The program is free but students have to apply to be enrolled in the program. The application is available on the website and [here](#).

SPRING 2025 Final Exam Exemptions

Final-ly!

Students in grades 9-11 will be able to earn exemptions from final exams – High School Course exemptions or College-level Course exemptions.

Final Exam Exemptions – All High School Courses

To incentivize the daily attendance rate, eligible grade 9 students may be allowed one spring final exam exemption; two spring final exam exemptions may be allowed for eligible 10th and 11th graders. Eligible students are those with:

- no more than three (3) absences in any one course for the duration of the semester;
- an S or E in conduct; and
- must have an 85 or higher semester average in the specific course(s) where the final exam exemption is applied.

Final Exam Exemptions for College-Level Courses

Schools may, under the following conditions, exempt students in grades 9 -12 from a final exam in college-level courses, defined as IB SL or HL or Advanced Placement (AP):

- if the student takes the AP or IB exam for the assigned course;
- an S or E in conduct; and
- a course average of 85 or better in the specific course(s) where the final exam exemption is applied.

11th and 12th grade students in IB courses must submit all IB assessments, sit for IB exams in May, and participate in all oral assessments. To be exempt from finals in 11th and 12th grade IB courses, students must also have all IB assessments complete.

9th Grade Students and Parents

Students interested in participating in the IB Diploma Program or IB Math classes in 11th and 12th grades – this message is for YOU!

- In order to take the IB Math classes in 11th and 12th grades, students must have completed Algebra 1, Geometry, and Algebra 2 before 11th grade.
- Students currently in Algebra 1 as 9th graders have the opportunity to take Geometry at Lamar HS in summer school, with a grade review and approval by their Academic Dean.
- There is a fee for the summer school class, which will be determined by the district late in the Spring semester.
- The *tentative* districts dates for summer school are June 16-July 23, Monday -Friday, so please plan to be in town for those dates! Students are usually only allowed one absence during summer school.

Questions? Contact the 9th Grade Academic Deans listed below:

9A and 9B: Ms. Lawrence dlawren1@houstonisd.org

9C and 9D: Dr. Khatri safiakhatri@houstonisd.org

Personal Graduation Plan

All students in Texas Public Schools must have a Personal Graduation Plan (PGP) on file as a graduation requirement. This document is initiated in grade 9 and is used for course planning. All students have updated their student survey this fall. You should receive a district generated email when your student's PGP has been approved. Please follow the attached directions to acknowledge this document. You may have done this in the past; however, HISD has put the form in School Links this year.

Here are the instructions we received from the district for guardians to approve the PGPs:

How to Review & Approve Student Personalized Plan (guardian guide)

 SchoolLinks

This step-by-step guide will walk guardians through the process of reviewing and approving their student's personalized plan. [Watch a video tutorial here!](#)

To get started, log into your SchoolLinks guardian account

1

Click on the My Students tab at the top of the guardian dashboard and select your student from the list
