### Final-ly!

Students in grades 9-11 will be able to earn exemptions from final exams — High School Course exemptions or College-level Course exemptions.

### Final Exam Exemptions – All High School Courses

To incentivize the daily attendance rate, eligible grade 9 students may be allowed one spring final exam exemption; two spring final exam exemptions may be allowed for eligible 10th and 11th graders. Eligible students are those with:

- no more than three (3) absences in any one course for the duration of the semester;
- an S or E in conduct; and

### Final Exam Exemptions for College-Level Courses

Schools may, under the following conditions, exempt students in grades 9 -12 from a final exam in college-level courses, defined as IB SL or HL or Advanced Placement (AP):

- if the student takes the AP or IB exam for the assigned course;
- an S or E in conduct; and
- a course average of 85 or better in the specific course(s) where the final exam exemption is applied.

11<sup>th</sup> and 12<sup>th</sup> grade students in IB courses must submit all IB assessments, sit for IB exams in May, and participate in all oral assessments. To be exempt from finals in 11<sup>th</sup> and 12<sup>th</sup> grade IB courses, students must also have all IB assessments complete.

In our session, we'll cover everything from how this opportunity will benefit your child, what's included in the experience, how we'll keep the trip safe and affordable, and much more. Plus, if we haven't met yet, it's a good chance to learn more about me as both an educator and a Group Leader.

Registration for this session is mandatory to help organize our meeting, and a parent or guardian must attend. Can't make it? Choose "No, but send info" so you don't miss out.
