- Students with any type of bag will be required to check the bag in upon entry. All bags are subject to search.

Final exam exemptions will be available for grades 9-11. Details will follow. Exams will be 90-minutes in length with 30-minutes for extended time. STEM Scholarships

On Thursday, March 22, three Lamar Seniors were awarded scholarships by John Collier, Executive Director of Caring Friends Inc. The scholarship is named in honor of the late Mrs. Polly Collier. A former Math Chair at Pershing Middle School, Mrs. Collier had a strong passion for education and a love of teaching STEM subjects. The Polly Collier awards were presented to three deserving young woman at Lamar HS who plan to major in STEM fields. This years aware recipients are Kaylee Williams, Isabella Gallardo, and Tara Suttitum.

IB Fees are Past Due

IB Fees are past due. All students who are currently taking an IB course (SL or HL) have been registered for testing. Current seniors must pay the fee to complete senior check out.

The actual cost of registering students for courses is \$119 per subject. HISD and Lamar HS take on the majority of costs associated with the registration and administration of exams. Students are asked to cover part of the fee. Whether you are taking one exam or are testing in five subjects, we ask that each student pay \$90 for the school year. Students who complete the Socio Economic form and qualify for additional benefits are asked to pay a reduced fee of \$30 for the school year.

Make payments through School Pay at:

<https://www.schoolpay.com/pay/for/IB-Registration-Fees/MdWo>

To avoid convenience fees, payments may be made in the business office by cash, money order or cashier's check. IB Fees are non-refundable.
